

In the third installment of The Modern Guide series, the author examines the Boeing F-15 Eagle in detail never before seen. Every version of the venerable Eagle is studied, from the earliest F-15A up to and including the latest F-15E serving in Operation Iraqi Freedom. Expert versions equipped globally air forces throughout the world are also covered. To document this famous aircraft in book form took thousands of hours, over 500 color images, and the help of F-15 pilots, crew chiefs, and technicians, making this publication the most thorough, accurate, and best Eagle book ever published.
