**God Knows You** Esté Geldenhuys, 2024-09-01 God longs to have a personal relationship with us From beginning to end we see God's love for His children in the Bible It is filled with examples of God's interactions with His people and His relationships with them Adam and Eve had close fellowship with God walking and talking with Him in the garden of Eden But with the fall this fellowship was broken Having a personal relationship with us was so important to God that it became the reason Jesus came to earth to die for our sins on the cross Only by His sacrifice could the separation caused by sin be erased to reconcile us with the Father in a restored and loving relationship once more The believer is therefore called back to a deeper fellowship with the Holy Trinity With all of this in mind the author delves into the intricacies of God's love for us and who He truly is She also shows how traditions in which people often place their faith can hinder us from establishing and enjoying a true and intimate relationship with God Discover who God truly is in terms of His character and attributes and His plans for us and how well He knows loves and understands us

Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism *Beyond the Evangelical Gender Roles* Gridlock Reimagining Paul's Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society
