Blazing Flatpicking Guitar Solos for One Player or More Steve Kaufman,2023-02-21 The

vision behind *Blazing Solos for Flatpicking Guitar for One Player or More* was inspired by the simple beauty of two instruments playing in harmony In order to harmonize the lead note and the harmony note need to be in harmonic agreement with one another as well as with the background chord and the key of the song Steve found that in most cases but not always that thinking in thirds will usually achieve the desired sound The book also contains a section on how to read tablature plus discography In notation and tablature Intermediate level Includes access to online audio

Cello, Bow and You Evangeline Benedetti, 2017 Written for the cellist looking for an approach that demystifies cello playing *Cello Bow and You* is an innovative text in the field of string pedagogy written by a 40 year veteran of the New York Philharmonic Orchestra and certified teacher of the Alexander Technique Author Evangeline Benedetti has a unique voice and approach and invites cellists of all levels to explore make discoveries and organically internalize technique Benedetti's approach compliments the work that students do with their teachers by encouraging them to be more aware of themselves and responsive to internal and external guidance *Cello Bow and You* allows students and professionals access to Benedetti's vast performance and teaching experience She has pioneered an approach to playing that is a synthesis of the cellist's musical thought the knowledge of the dynamic properties of the instrument and bow and the ability to move effectively according to the mechanics of the human body The synergy of these elements leads to physically healthy playing and frees players to be musically expressive Written in engaging informal prose the book is a must read for cellists and cello teachers beginning intermediate or professional

Oak Anthology of Blues Guitar: Ragtime Blues Stefan Grossman, 1970-06-01 Explores traditional playing styles through transcriptions and analysis of master players Rev Gary Davis Big Bill Broonzy and many others

Oak Anthology of Blues Guitar: Delta Blues Stefan Grossman, 1969-06-01 There are many intellectual curiosities about the blues It has always seemed a phenomenon that the guitar styles that came out of the South during the twenties and thirties could be differentiated by their regional characteristics On hearing a strange new artist one can almost pinpoint his city of origin through his guitar technique The Mississippi Delta produced a sound distinct from that of Texas Atlanta had a very popular style that seems to have been confined to that city The music of Louisiana has a weird voodoo texture while the Carolinas produced another totally different sound Music is quite a powerful tool Words of explanation can never express the impact of a musical experience I am going to attempt to teach the music of some great guitar bluesmen It is not going to be isolated and picked apart but presented with its historical value as well as personal and emotional value Words will not be my tools for this venture instead I will incorporate photographs and interview to describe these feelings
