sweet romance Shannon Hollis,2021-03-11 A memorable debut with appealing characters and a touch of mystery RT Book Reviews He has to be in close proximity to this beautiful woman if he s going to catch a thief Hot on the trail of a technology thief private investigator Duncan Moore is convinced that he s found him in beautiful Moonshell Bay What he needs is proof When he asks the beautiful neighbor if he can watch his suspect from her spare room sparks fly and now he has two reasons to stay Mallory Baines isn t sure she wants a hot guy in forced proximity 24/7 although her matchmaking family certainly is

They're ready to throw the engagement party But when Duncan's surveillance begins to show signs that Mallory might be involved he'll have to get even closer It isn't enough that she's caught him looking he has to catch his thief too But is he falling for a lie or are the sparks between them telling the truth Watch For Me is the fourth novel in the Moonshell Bay sweet romance series featuring cops and ex-cops whose lives are just fine thanks until strong but vulnerable heroines cross their path The books can be read as standalones though the characters are connected and appear in each other's stories No strong language or love scenes on the page just a dollop of suspense and a guaranteed happily ever after If you like books by Melissa McClone Hope Holloway or Liz Isaacson you're in the right place Enjoy Previously published by Harlequin

Temptation as Her Private Eye The Sermons of Henry Ward Beecher in Plymouth Church, Brooklyn Henry Ward Beecher, 1872 *Wealth Secrets of the One Percent* Sam Wilkin, 2025-05-01 Discover how the superwealthy made it to the top and you can too From the richest Romans to the robber barons to today's bankers and tech billionaires Sam Wilkin offers Freakonomics-esque insights into what it really takes to make a fortune These stories of larger than life characters strategies and sacrifices reveal how the wealthiest did it usually by a passion for finding loopholes working around bureaucratic systems and creating obstacles to competitors *Wealth Secrets of the One Percent* gets at the heart of our feelings about the 1% of top income earners and the roughly 0.0001% who achieve billionaire status we love to hate them but we'd love to be them Wilkin's insight into the sources of wealth is thought provoking and rigorous and he reveals that behind almost every great fortune is a wealth secret a moneymaking technique designed to defeat the forces of market competition **Beyond the Cherry Tree** Joe O'Brien, 2012-07-01 Josh Bloom is on a field trip with his class to Cherry Tree Manor while the house and gardens are beautiful what really interests the class is the fact that Manor's owner General Edgar Pennington disappeared mysteriously exactly twelve years to the day before their visit to the Manor To Josh it seems like there's something spooky about the manor None of the other kids feel it but Josh seems more attuned to the house which leads him to discover something in the General's library that sends him on an adventure of a lifetime Josh thinks he is on a journey to find the missing General but soon discovers that it's his own destiny that he is really searching for there are links between him and the missing General that he never could have guessed Josh's quest takes him to the enchanting land of Habilon full of danger excitement and magic Will he ever return from the land beyond the Cherry Tree **St. Nicholas** Mary Mapes Dodge, 1928 **Born in the Second Wind** Ajit Sherawat, 2015-05-01 The fortitude which won Kamlesh the cycle race had the designs of victories her future awaited Though the battle was still her own it was for her son Jeet to win for her The tide takes a turn for the worse when the very people who should have been the springboard to Jeet's success pull the ladder from right under his feet The inconsistencies of the unjust world left her tentative and worried and her son battered and bruised Jeet had fallen That's when Jeet's angel the Doppelganger emerges with the second wind which if unleashed would take Jeet to unprecedented heights Will he remain fallen Will he not throw his dice in the game called life anymore Will his courage

rise with every attempt of intimidating him Above all will he be Born in the Second Wind Circular United States. National Bureau of Standards,1937 Philosophical Magazine ,1858 **Transactions - North East Coast Institution of Engineers and Shipbuilders** North East Coast Institution of Engineers and Shipbuilders,1904 List of members in each volume The Colony Book 1: Rebellion J. Tomas,2013-08-18 Sixteen year old Aine lives in the Colony and his whole life was decided before he was born In two years he will marry the girl next door Brin who was assigned as his Other at birth Then he will be given a position in the Colony s workforce that best suits his talents Each night he takes four pills like everyone else in the Colony and he knows the pills keep them safe and their world in order Everything is fine Perfect in fact Until Aine accidentally drops one of his pills Terrified he tries to hide the mistake but when he dreams for the first time in his life he discovers all he s been missing What scares him more than not taking the pill though is how alive his dreams make him feel Because it isn t Brin he dreams of but his best friend Kyer Another boy Suddenly Aine s world turns upside down and he doesn t know what to think or who to trust All he knows for sure is he s falling in love with Kyer which is forbidden by the Colony s Code and he will do anything to protect their budding relationship Even if it means defying the Overseer and leaving the Colony behind **Three Roads to Magdalena** David Wallace Adams,2016-06-03 Someday Candelaria Garcia said to the author you will get all the stories It was a tall order in Magdalena New Mexico a once booming frontier town where Navajo Anglo and Hispanic people have lived in shifting sometimes separate sometimes overlapping worlds for well over a hundred years But these were the stories and this was the world that David Wallace Adams set out to map in a work that would capture the intimate complex history of growing up in a Southwest borderland At the intersection of memory myth and history his book asks what it was like to be a child in a land of ethnic and cultural boundaries The answer as close to all the stories as one might hope to get captures the diverse ever changing experience of a Southwest community defined by cultural borders and the nature and role of children in defending and crossing those borders In this book we listen to the voices of elders who knew Magdalena nearly a century ago and the voices of a younger generation who negotiated the community s shifting boundaries Their stories take us to sheep and cattle ranches Navajo ceremonies Hispanic fiestas mining camps First Communion classes ranch house dances Indian boarding school drill fields high school social activities and children s rodeos Here we learn how class religion language and race influenced the creation of distinct identities and ethnic boundaries but also provided opportunities for cross cultural interactions and intimacies And we see the critical importance of education in both reinforcing differences and opening a shared space for those differences to be experienced and bridged In this Adams s work offers a close up view of the transformation of one multicultural community but also of the transformation of childhood itself over the course of the twentieth century A unique blend of oral social and childhood history **Three Roads to Magdalena** is a rare living document of conflict and accommodation across ethnic boundaries in our ever evolving multicultural society Published in Cooperation with the William P Clements Center for Southwest Studies Southern

Methodist University **My Loving Self and Me** C. Beth Hoffman, 2015-02-27 Nurturing our true selves acknowledging when our ego is in control and accepting God's love enables us to be lovingly caring of others. This is a challenge for adults to master in a material world but even harder for children. In *My Loving Self and Me* author C. Beth Hoffman offers a collection of stories and poems that helps children understand this concept and it gives them a jump start on their own spiritual path. The stories feature a brother and sister, Ike and Gabby, and their cousins as they encounter a variety of life experiences such as dealing with hurt, feelings, bullying, and fear. They better understand the ideas of gratitude, integrity, respect for nature, and more by finding answers through their loving connection with God. The stories presented in *My Loving Self and Me* demonstrate through Ike and Gabby's open conversations with their parents, grandparents, and each other how important communication is. Reading this book with your children, listening to what they have to say, and discussing these and other topics that may arise provides a forum for the open communication that is so valuable between parent and child.

Information Extraction: A Multidisciplinary Approach to an Emerging Information Technology Maria T. Pazienza, 2005-08-29 Information extraction (IE) is a new technology enabling relevant content to be extracted from textual information available electronically. IE essentially builds on natural language processing and computational linguistics but it is also closely related to the well-established area of information retrieval and involves learning. In concert with other promising and emerging information engineering technologies like data mining, intelligent data analysis, and text summarization, IE will play a crucial role for scientists and professionals as well as other end users who have to deal with vast amounts of information, for example from the Internet. As the first book solely devoted to IE, it is of relevance to anybody interested in new and emerging trends in information processing technology.

The Osteria Chronicles Box Set (Books 1-3) Tammie Painter, 2020-02-11 Myths and heroes may be reborn but the whims of the gods never change. Enter a world where *Game of Thrones* meets *Clash of the Titans* with this collection of the first three books from the highly recommended Osteria Chronicles series. Perfect for fans of mythology and historical fantasy fiction by Madeline Miller, Simon Scarrow, S. J. A. Turney, Mary Renault, and Glyn Iltis.
