[Traveler's Guide \(pdf\) Short Stories](#) Michael Wornlocker, 2025-05-01 Life in its raw and untamed beauty is a journey a labyrinth of winding paths shadowed valleys and sun drenched peaks It is a voyage fraught with the unpredictable where the very core of our being is tested where the fragile strength of our hearts is forged in the fires of adversity As Elisha and Zach discovered on their own travels often the most profound journeys are those we undertake within Within the pages of the Traveler's Guide series Michael Wornlocker extends a hand inviting you to embark on a pilgrimage not merely across

*A Country Called Childhood* Jay Griffiths, 2014-10-20. While traveling the world in order to write her award-winning book *Wild*, Jay Griffiths became increasingly aware of the huge differences in how childhood is experienced in various cultures. One central riddle in particular captured her imagination: why are so many children in Euro-American cultures unhappy and why is it that children in traditional cultures seem happier? In *A Country Called Childhood*, Griffiths seeks to discover why we deny our children the freedoms of space, time and the natural world. Visiting communities as far apart as West Papua and the Arctic as well as the UK and delving into history, philosophy, language and literature, she explores how children's affinity for nature is an essential and universal element of childhood. It is a journey deep into the heart of what it means to be a child and it is central to all our experiences, young and old.
