The Martini Shot A Novella And Short Stories:

The Martini Shot George Pelecanos, 2015-01-06 Short stories and a novella from one of crime fiction's most revered writers. Whether they're cops or common savage killers or creative types gangsters or God-fearing citizens, George Pelecanos' characters are always engaged in a fight for their lives. They fight to advance or simply to survive; they fight against odds, against enemies, even against themselves. In this his first collection of stories, the acclaimed novelist introduces readers to a vivid and eclectic cast of combatants. A seasoned claims investigator tracks a supposedly dead man from Miami to Brazil, only to be thrown off his game by a kid from the local slum. An aging loser takes a last stab at respectability by becoming a police informant. A Greek American couple adopts an interracial trio of sons and then struggles to keep their family together, giving us a stirring bit of background on one of Pelecanos' most beloved protagonists, Spero Lucas. In the title novella, which takes its name from Hollywood slang for the last shot of the day, the one that comes before the liquor shots begin, we go behind the scenes of a television cop show where a writer gets caught up in a drama more real than anything he could have conjured for a script. By turns heartbreaking and humane, brutal and funny, these finely constructed tales expose the violence and striving beneath the surface of any city and within any human heart. Tough, sexy, fast-paced and crackling with energy, *The Martini Shot* is Pelecanos at his very best.

The Highway Kind: Tales of Fast Cars, Desperate Drivers, and Dark Roads

Patrick Millikin, 2016-10-18 Thrilling crime stories about cars driving and the road from the world's bestselling and critically acclaimed writers. Like fiction, cars take us into a different world from the tony enclaves of upper crust society to the lowliest barrio, from muscle car driving with men to hardscrabble kids on the road during the Great Depression, from a psychotic traveling salesman to a Mexican drug lord who drives a tricked-out VW Bus. We all share the roads, and our cars link us together. Including entirely new stories from Michael Connelly, C. J. Box, George Pelecanos, Diana Gabaldon, James Sallis, Ace Atkins, Luis Alberto Urrea, Sara Gran, Ben H. Winters, and Joe Lansdale, *The Highway Kind* is a street-level look at modern America as seen through one of its national obsessions.

Research Handbook on Law and Emotion Susan A. Bandes, Jody L. Madeira, Kathryn D. Temple, Emily Kidd White, 2021-04-30 This illuminating Research Handbook analyses the role that emotions play and ought to play in legal reasoning and practice, rejecting the simplistic distinction between reason and emotion.

The Double George Pelecanos, 2013-10-08 Every man has his dark side. Spero Lucas confronts his own in the most explosive thriller yet from one of America's best-loved crime writers. The job seems simple enough: retrieve the valuable painting *The Double*. Grace Kinkaid's ex-boyfriend stole it from her. It's the sort of thing Spero Lucas specializes in finding what's missing and doing it quietly. But Grace wants more. She wants Lucas to find the man who humiliated her, a violent career criminal with a small gang of brutal thugs at his beck and call. Lucas is a man who knows how to get what he wants, whether it's a thief on the run or a married woman. In the midst of a steamy, passionate love affair that he knows can't last, in pursuit of a dangerous man who will stop at nothing to get what he wants, Lucas is forced to decide what kind of man he is and how far

he'll go to get what he wants **Family Disintegration** Anton Purcell, 2002 The contemporary family is being distracted, disturbed and distraught by societal pressures from every direction. The nuclear family concept, believed crucial to child rearing, is becoming passé according to census data. Or has the wave of disruption to families crested? It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century Braille Book Review, 2016-11 **A Cultural History of Firearms in the Age of Empire** Karen Jones, 2016-03-16 Firearms have been studied by imperial historians mainly as means of human destruction and material production. Yet firearms have always been invested with a whole array of additional social and symbolical meanings. By placing these meanings at the centre of analysis, the essays presented in this volume extend the study of the gun beyond the confines of military history and the examination of its impact on specific colonial encounters. By bringing cultural perspectives to bear on this most pervasive of technological artefacts, the contributors explore the densely interwoven relationships between firearms and broad processes of social change. In so doing, they contribute to a fuller understanding of some of the most significant consequences of British and American imperial expansions. Not the least original feature of the book is its global frame of reference. Bringing together historians of different periods and regions, *A Cultural History of Firearms in the Age of Empire* overcomes traditional compartmentalisations of historical knowledge and encourages the drawing of novel and illuminating comparisons across time and space **Talking Book Topics**, 2015-07 *Encyclopedia of the Romantic Era, 1760-1850* Christopher John Murray, 2013-05-13 In 850 analytical articles, this two-volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century. The *Encyclopedia* provides readers with a clear, detailed and accurate reference source on the literature, thought, music and art of the period, demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **Horse Scents** Marc D. Hasbrouck, 2019-02-09 Horse people tend to be unusual, ranging from strikingly lovable to shockingly irritating. Each one has a story or several to tell, both happy and sad. *Horse Scents* presents a collection of thirteen intertwined stories that explore a year in the lives of boarders at one dusty old stable in suburban Atlanta. The tales within reveal a microcosm of humanity within the tiny but varied world of the stable among the horses. They depict happiness and heartbreak, laughter and tears, romance and intolerance. As the characters, some that might appear to have familiar aspects, make their way through the year, their hopes, fears, secrets, dreams, plans, disasters and nightmares all come out in ways that they could never have imagined. With horse scents, horse sense and nonsense in abundance, this collection of short stories follows an interconnected set of people over the course of a year through triumph and tragedy *Australian Crime Fiction* Stephen Knight, 2018-06-28 Australian crime fiction has grown from the country's origins as an 18th-century English prison colony. Early stories focused on escaped convicts becoming heroic bush rangers or how the system mistreated

those who were wrongfully convicted Later came thrillers about wealthy free settlers and lawless gold seekers and urban crime fiction including Fergus Hume s 1887 international best seller *The Mystery of a Hansom Cab* set in Melbourne The 1980s saw a surge of private eye thrillers popular in a society skeptical of police Twenty first century authors have focused on policemen and increasingly policewomen and finally indigenous crime narratives The author explores in detail this rich but little known national subgenre *The Independent* ,1924 **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *Library Journal* ,2004 **The Short Stories of Sinclair Lewis (1904-1949)** Sinclair Lewis,2007 This work makes available for the first time a full collection of all the short stories written by novelist playwright and author Sinclair Lewis 1885 1951 This volume contains the complete short stories of Sinclair Lewis written between January 1918 and February 1919 *The Publishers Weekly* ,2005 **Forthcoming Books** Rose Army,1998-04 **The Library Journal** ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
