The Medium Chronicles Vol II:

The Medium Chronicles, Vol. II Laurie Coombs, 2014-12-30 Therapist and medium Laurie Coombs introduced us to her normal through daily experiences and the spirits who surround her in Volume I of The Medium Chronicles Join her again in Volume II as she explores past lives healing and things that go bump in the night Have you ever looked into the eyes of a total stranger and felt a zap Do you feel a special connection to a place and time that you cannot explain Have you been afraid of something and can't understand why If you answered yes you're likely connecting to a past life We all have themes that we carry into this life old patterns to resolve that bring us to a place of healing that we never imagined possible Loss is one of the biggest emotional challenges we face How do we heal a grieving heart Why do people come and go from our lives How do we forgive when we feel wronged Being a medium is like having a blinking neon sign over a club that says Open 24/7 with a red velvet rope and two angelic bouncers Unruly spirits can slip past and cause an array of happenings that can make you laugh jump off your seat or embrace the knowledge that we are never alone We all share the gift of connection despite it arriving in unexpected ways The San Francisco Chronicle Cookbook Volume II Michael Bauer, Fran Irwin, 2001-03
