The Human Problem in Schools (1938) Marion Milner, 2018-02-20 Published in 1938 this book documents a psychological study carried out on behalf of the Girls Public Day School Trust Comprising 25 schools the trust set the standard for girls education for the first decade of the twentieth century and the pioneering study was set to serve the cause of national education Marion Milner documents the study and her findings across four sections with topics covered including intelligence testing classroom observations interpretation of material varying effects of the environment and interviewing techniques Sections also discuss practical implications from the research and the importance of the psychologist in the classroom This book provides a detailed study of mental development and education in adolescent girls in the 1930s as well as considering how important it can be to have a psychologist in the classroom An original study that will still be of interest to researchers and academics in the fields of education psychology and gender studies today *A Commentary, Critical, Experimental, and Practical on the Old and New Testaments* Robert Jamieson (D.D.), 1866 *Mediation and Love: A Study of the Medieval Go-Between in Key Romance and Near-Eastern Texts* Leyla Rouhi, 1999-02-23 This study offers a typology of the go between across key texts from antiquity and several medieval literary traditions analyzing the role of the third party in the poetics of love The work provides the indispensable context for the study of the significant transformations undergone by the go between Legal and scientific sources are taken into account alongside Latin French and English literary works and literature of the medieval Islamic period for the critique of differences and intertextual links which inform the conception of the go between The case of the Medieval Spanish go between is given a special attention due to the figure's complex relationship with diverse traditions The range covered in the work provides a comprehensive view of the figure's trajectory and representation in each text Educational Times, 1916 **The Educational Times, and Journal of the College of Preceptors**, 1903 **A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev. R. Jamieson, Rev. A. R. Fausset ... and the Rev. David Brown. [With the Text.]**, 1866 **LEXX Unauthorized, Series 2: The Light at the End of the Universe** D.G. wake a mysterious force is destroying the universe LEXX was one of the strangest and most wildly surreal space operas ever conceived owing as much to Luis Bunuel and Alejandro Jodorowsky as to Star Trek and Star Wars It was unique and unforgettable mixing black comedy and absurdism with epic drama and an astonishing visual sense Backstage the story of the creation of the series was even more extraordinary a tale of regional Atlantic film makers renegade artists cult film makers wild experimentation Canadian cultural nationalism German entrepreneurs new computer generated imagery technologies and backstage chaos intersecting in wildly unpredictable ways to create truly exotic images and stories The product of years of research and dozens of interviews this is a must buy for any fan of the show itself or of science fiction movies television generally and an eye opening insight into film and television production especially Canadian and international productions

Children's Perceptions William Henry Winch,1914 **The British Journal of Psychology** ,1919 Issues for 1904 47 include the Proceedings of the society A Study of Erotic Literature in England W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation A Study of the Articles of Faith James Edward Talmage,1924 **The Journal of Education** ,1908
