Leila Christenbury,2006 Making the Journey is a staple of secondary English methods courses and teacher libraries because
it not only provides practical advice on what to do in the classroom and how to act but also offers a realistic but optimistic
sense of what it means to embrace the practice of good teaching Now trusted educator writer and researcher Leila
Christenbury has returned with a remarkable new edition of her classic The third edition of Making the Journey will be both
refreshingly new and satisfyingly familiar to those who ve come to rely on Christenbury s wisdom and uncommon common
sense Every chapter has been revised and updated with new examples the latest research and stories from today s
classrooms Even more important Christenbury has devoted new sections to discussing instructional and political topics
crucial to the contemporary teacher including supporting English language learners developing students ability to write on
demand meeting the challenge of high stakes standardized testing balancing depth of coverage with breadth in standards
based curricular planning creating tests and other assessments that align with curricular goals and provide useful
information for subsequent instruction engaging students reading interests through nontraditional real world genres like
graphic novels teaching writing and media literacy through digital age innovations such as blogs and WebQuests navigating
the politics of school while remaining an activist professional With the latest smartest strategies techniques and ideas as well
