**Bootleg** Clinton Heylin,1996-06-15 Heylin s secret history of the covert culture of bootlegging digs into many previously uncovered areas of this complex and completely underground music industry An unholy mix of consumerism conspiracy fetishism and felony David Dalton that methodically punctures each and every record industry argument against bootlegging while acknowledging that bootleggers themselves are often without the purest motives Los Angeles Reader Illustrations

The Bootleg Homes of Frank Lloyd Wright Bob Hartnett,2023-06-19 Uncover the secret Chicago laboratory of Frank Lloyd Wright s Prairie Style Before Frank Lloyd Wright officially launched America s most famous architectural career he was designing the building blocks of his legendary prairie style on the side In violation of his contract with his employers Adler and Sullivan Wright moonlighted as an independent architect from his Oak Park studio From 1892 through the spring of 1893 he experimented with the elements that would become his signature in houses in Chicago La Grange and Oak Park The full roster of these bootleg homes has remained a matter of mystery and debate Robert Hartnett seeks to provide the first definitive account of the hidden artifacts of Wright s storied legacy *Bootleg! The Rise And Fall Of The Secret Recording Industry* Clinton Heylin,2010-03-04 An absorbing account of the record industry s worst nightmare In the summer of 1969 Great White Wonder a collection of unreleased Bob Dylan recordings appeared in Los Angeles It was the first rock bootleg and it spawned an entire industry dedicated to making unofficial recordings available to true fans Bootleg tells the whole fascinating saga from its underground infancy through the CD protection gap era when its legal status threatened the major labels monopoly to the explosion of trading via Napster and Gnutella on MP 3 files Clinton Heylin provides a highly readable account of the busts the defeats and victories in court the personalities many interviewed for the first time for this book This classic history has now been updated and revised to include today s digital era and the emergence of a whole new bootleg culture **Corporate Underground: Bootleg Innovation And Constructive Deviance** Peter

Augsdorfer,2022-09-06 In the corporate underground creative intrapreneurs produce ideas autonomously and without the consent of management Such informal activity frequently corrects and compensates for the weaknesses of formal organizational systems The corporate underground is an adjusting element for a number of organizational paradoxes This imposes a certain legitimacy on covert activities such as bootlegging and constructive deviance It reflects a basic axiom of the evolutionary perspective change and creativity are reliant upon elements of redundancy waste and inefficiency With contributions from 16 leading experts in this field the book offers a comprehensive picture of the nature of covert creativity for theory research and practice The chapters cover a wide range of facets of underground activity including basic information the sensitive transition from underground to formal disclosure at an organization and psychological factors This book is a valuable compendium for academics and practitioners interested in R D and innovation Management seeking to better manage their innovative capabilities in their companies will also benefit from this book **Official Gazette of the**

Winters,2016-07-18 Vinyl Records and Analog Culture in the Digital Age Pressing Matters examines

the resurgence of vinyl record technologies in the twenty first century and their place in the history of analog sound and the recording industry It seeks to answer the questions why has this supposedly outmoded format made a comeback in a digital culture into which it might appear to be unwelcome Why in an era of disembodied pleasures afforded to us in this age of cloud computing would listeners seek out this remnant of the late nineteenth century and bring it seemingly back from the grave Why do many listeners believe vinyl with its obvious drawbacks to be a superior format for conveying music to the relatively noiseless CD or digital file This book looks at the ways in which music technologies are both inflected by and inflect human interactions creating discourses practices disciplines and communities **So Yesterday** Scott

Westerfeld,2005-09-08 Ever wonder who was the first kid to keep a wallet on a big chunky chain or wear way too big pants on purpose What about the mythical first guy who wore his baseball cap backwards These are the Innovators the people on the very cusp of cool Seventeen year old Hunter Braque s job is finding them for the retail market But when a big money client disappears Hunter must use all his cool hunting talents to find her Along the way he s drawn into a web of brand name intrigue a missing cargo of the coolest shoes he s ever seen ads for products that don t exist and a shadowy group dedicated to the downfall of consumerism as we know it *The Bootleg Coal Rebellion* Mitch Troutman,2022-08-16 Told with great intimacy and compassion *The Bootleg Coal Rebellion* uncovers a long buried history of resistance and resilience among depression era miners in Pennsylvania who sunk their own mines on company grounds and fought police bankers coal companies and courts to form a union that would safeguard not just their livelihoods but protect their collective autonomy as citizens and workers for decades Community and Labor organizer Mitch Troutman brings this explosive and accessible American tale to life through the bootleggers own words Scholars historians organizers and activists will celebrate this story of the people who literally seized mountains and stood their ground to create the Equalization movement the miners union democracy movement and the Communist led Unemployed Councils of the anthracite region This epic story of work love and community stands as a testament to the power of collective action a story that is sorely needed as communities today rise to confront neoliberal policies ravaging our planet **Popular Musics of the Non-Western World** Peter Manuel,1988

concept album established a new model for quasi symphonic long form investigations into the human condition It is a record of thoughtfully poignant lyrics and some of the most powerful genre defining rock music ever made Roger Waters Rick Wright Nick Mason and the tragically brilliant Syd Barrett fused English whimsy with electrifying voyages through inner and outer space Their underground gigs are the stuff of psychedelic legend but between 1968 and 1971 with Barrett replaced by David Gilmour their sonic inquiries were never braver Some were delivered instantly while others were revealed slowly but all played crucial parts in rock s development During the 1970s the music matured as the messages darkened While Floyd continued to prove that emotional weight can be forged from deceptively modest arrangements the band s live spectacles reached a pitch of technical complexity and extravagance none has matched With insightful analysis and witty objectivity Richard Butterworth appraises afresh Pink Floyd s official recorded canon from Arnold Layne to The Endless River and beyond to 2022 and the first all new Floyd music for 28 years Richard Butterworth s grown up career began in advertising first as a paste up artist and later as a graphic designer Settling on copywriting for years he reaped the pleasures pains and penury of freelancing As a lifelong believer in the healing and redemptive power of music however he knew that humankind s highest art form would eventually saddle up and ride him into the sunset Today Richard lives in Cornwall UK with his partner Sue two golden retrievers a tenor saxophone and a justifiably ancient laptop computer on which he still writes about the music he loved before he was a grown up
