The Argument Writing Toolkit Sean Roday, 2015-07-16. In order for students to write effective arguments, they need to read good arguments. In this practical book, you'll find out how to use mentor texts to make writing instruction more meaningful, authentic, and successful. Author Sean Roday demonstrates how you can teach middle school students to analyze the qualities of effective arguments and then help them think of those qualities as tools to improve their own writing. You'll learn how to introduce high-interest topics to students to get them interested and engaged in argument writing. Teach students to look at multiple sides of an issue and critically evaluate evidence to construct informed, defensible arguments. Make argument writing an interactive, student-driven exercise in which students pursue their own writing projects. Use mentor texts to help students learn the core concepts of argument writing and apply those skills across the curriculum. The book is filled with examples and templates you can bring back to the classroom immediately, as well as an annotated bibliography which links the concepts in this book to the corresponding Common Core State Standards. Blank templates are also available as printable eResources on our website: <http://www.routledge.com/9781138924390>.

Transitions in Writing, 2018-03-12. **Transitions in Writing** addresses the experiences of writers as they move between contexts of writing and juggle new and different demands. Spelman Miller and Stevenson bring together research by scholars in a range of settings across the world who approach transition from different standpoints. Transition is often conceived of as a change in setting coinciding with physical

or temporal relocation such as between stages of an educational or professional career However writers also manage more local micro level transitions as they move between genres registers and rhetorical moves to meet the demands of the task The combination of both macro and micro level perspectives on transition offers a novel broad conception of the types of change a writer encounters and illustrates a range of methodological approaches appropriate to exploring such transitions
