The Judgment Seat Of Christ A Biblical And Theological Study:

The Judgment Seat of Christ: A Biblical and Theological Study Samuel L. Hoyt, 2015-01-01 The New Testament has much to say about the day when Christ will evaluate His Bride the Church when all true believers in Christ will see Him just after the resurrection of dead believers and the rapture of living believers According to the Bible this event could even occur today Are you ready for it For many centuries Christians have been confused about the timing participants seriousness purpose and final outcome of this great divine evaluation of the Church Is it the next revealed event on God s calendar Will all Christians be involved or only leaders Is this event distinct from God s judgment of unbelievers Is this a judgment to determine a person s eternal salvation or eternal reward Will this event be essentially positive or will it involve punishment for disobedience What effects will this judgment have afterwards in Christ s kingdom THE JUDGMENT SEAT OF CHRIST was originally written as Dr Samuel L Hoyt s doctoral dissertation and has now been revised and updated to answer these relevant questions from Scripture with careful balanced and thorough exegesis THE JUDGMENT SEAT OF CHRIST addresses a vital subject of eternal significance for every Christian

Four Views on the Role of Works at the Final Judgment Robert N. Wilkin, Thomas R. Schreiner, James D. G. Dunn, Michael P. Barber, 2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the

critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Manifesto of Christian Holiness J. The Race Set Before Us Ardel B. Caneday, Thomas R. Schreiner, 2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry

The Judgements of God Dr. Gilbert H. Edwards Sr., 2015-01-15 The subject of Judgment is a large one in the word of God and encompasses such as the judgment of the cross the judgment on the believer in chastening the self judgment of the believer the judgment of the believers works at the judgment seat of Christ with the exception of the last mentioned judgment which has already been considered These judgments are not related with the eschatological program of God It is necessary to consider four judgments that have eschatological implications the judgment on the nation Israel the judgment of the nations the judgment of the fallen angels and the judgment of the Great White Throne This study will give explanatory reasons for these judgments

Satan and the Problem of Evil Gregory A. Boyd, 2025-08-04 Where does evil come from If there is a

sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God s sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God s providential oversight of all creation and history How does God interact with human intention and action If people act freely does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in *God at War* with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition While all may not agree with Boyd s conclusions *Satan and the Problem of Evil* promises to advance the church s discussion of these critical issues
