The Khoi Leopard

Esther E. du Preez

The Khoi Leopard:

The Khoi Leopard EJ Benting, 2014-11-07 For most of her young life the fickleness of fate had been cruel to this American woman Hilary is an orphaned college graduate who leaves her few friends behind to seek employment in LA After leaving her first job she finds a job as a PA to a Hollywood couple Hilary realizes even though she had been on a few college dates she really had become reclusive and very lonely Her employers Roger and Liz recognizing her melancholy invite her to accompany them on a holiday trip to Cape Town where Liz's parents live After enjoying the sights and sounds around Cape Town the tourists head out into the hauntingly beautiful Karoo where Hilary befriends a vacationing young man who has an interest in the area's Khoisan rock paintings They spend much time together sightseeing exploring caves klooing in the mountain streams and socializing with fellow guests on the farm They meet two secretive Chinese oil men who clearly wished to keep to themselves During their excursions into the nearby hills and the Karoo veld Hilary and her friend cross paths with two direct descendants of the Khoisan community that had inhabited the region for many centuries long before the first Europeans set foot in Southern Africa Will the American and her new friend be able to handle an ultra long distance relationship after such a brief holiday romance Will the dangerous Kowloon based mobsters of the BPC succeed in ending their young lives in order to steal the Khoisan's ancestral land Remember wherever you find oil fields greedy predators were always watching and calculating risk versus reward Tsuni-IlGoam. The Supreme Being of the Khoi-khoi Theophilus Hahn, 2025-08-10 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Tsuni-Goam, the supreme Being of the Khoi-Khoi** Theophilus Hahn, 1881 **The Quintessence of the Wild** Esther E. du Preez, 2014-06-11 After Seth Tzimbi had finished his schooling his mother sent him to say good bye to her father a Khoisan cave painter Animals and nature had always intrigued him therefore he was elated when he had the chance of raising a tiger cub Mitch Bourne a Secret Agent who had rescued him and other children in Zimbabwe en route to Nigeria in The Spiderweb invited him to visit her in Great Britain He wanted to become a Secret Agent and make the world a better place to live in At Oxford University he started to study Veterinary Science and proceeded with his studies at the legendary Padua University while Mitch obtained permission to train him as a Secret Agent They were both sent to South Africa on a mission to catch poachers of ivory and rhino horn Mitch fell in love with a fellow undercover Agent Andrew Short After romancing her they were married He was recruited as a medical doctor by Chinese smugglers Seth was passed off as a doctor and accompanied him Mitch and Seth's two sisters were abducted by the poachers and sold to the Chinese In Singapore she was forced to kill two sailors when she and the girls escaped from the S S Shanghai Unsure of what the future held in store they returned to South Africa and picked up the threads of their lives *Khoisan Consciousness* Rafael Verbuyst, 2022-06-08 The Khoisan of the Cape are widely considered virtually extinct as a distinct collective following

their decimation dispossession and assimilation into the mixed race group coloured during colonialism and apartheid. However, since the democratic transition of 1994, increasing numbers of Khoisan revivalists are rejecting their coloured identity and engaging in activism as indigenous people. Based on long-term ethnographic fieldwork in Cape Town, this book takes an unprecedented bottom-up approach. Centring emic perspectives, it scrutinizes Khoisan revivalism's origins and explores the diverse ways Khoisan revivalists engage with the past to articulate a sense of indigeneity and stake political claims.

Of the same breath Lucie A. Möller, 2017-10-01. *Of the Same Breath* opens the door to a better understanding of why and how the animals and places of southern Africa have been given the names they have today. The vast reaches of the information provided in this book have been drawn together to create a veritable cornucopia of answers to the old question of how names originated. In this linguistically thought-provoking book, readers will be guided through the origins of animal names and toponyms from the coastline of South Africa to the northern border of Namibia and from the mighty elephant to the humble grasshopper.

Why Transportation Fails Astrid Wood, 2025-07-29. *Why Transportation Fails* offers an in-depth critique of transportation failures in South Africa and beyond. Minibus taxis are unreliable and overcrowded; buses and trains are old and poorly maintained, and new services are

derailed by spiraling capital and operational costs protracted and politicized rollouts and unsolvable infrastructural challenges Rather than focusing on these failures the conceptual and practical analyses in this book develop a critical understanding of transportation and highlight the opportunities for transportation to be more inclusive innovative and sustainable This book applies cutting edge scholarship from geography and urban studies decolonial geographies Black geographies policy mobilities walking geographies animal geographies art geographies and health geographies to reframe transportation failure The interdisciplinarity of this scholarship builds an approach that not only tells the story of transportation in South Africa but also uncovers a range of conceptual interpretations and imaginations that stretch beyond urban mobilities and urban development In decentering traditional geographies of knowledge production Why Transportation Fails contributes to critical considerations of urban transportation in Africa and aspects of transportation justice within social and spatial transformation Given the never ending financial and political investment in solving transportation Why Transportation Fails is an essential reading for scholars of architecture development geography politics sociology and urban planners and practitioners

Political Communication in the Anglophone World Theodore F. Sheckels, 2012-10-05 Political Communication in the Anglophone World Case Studies by Theodore F Sheckels extends political communication scholarship primarily rhetorical scholarship into the extensive English language arena outside the United States and the United Kingdom While wrestling with the extent to which insights derived from and approaches used in political communication research focused on the United States can be used in other nations with different government structures different media operations and different political cultures Sheckels provides insight into a variety of political communication topics ranging from the role gender plays in campaign politics to the politics involved as one speaks upon the occasion of leaving high office This book explores how Canadian Prime Minister Pierre Elliott Trudeau used moments of media attention to push his foreign and domestic policy agenda as well as another Canadian Prime Minister Kim Campbell and the difficulties she faced because of her gender Sheckels also examines Jamaica s Michael Manley and his shift from advocating socialism to later supporting free markets and reggae artist Bob Marley and his musical shift from concern for Kingston s poor to embracing pan Africanism Popular media images of Africa are also considered as the book investigates Mwai Kibaki s attempts to unify Kenya Nelson Mandela s presidential rhetoric and Thabo Mbeki s I am an African Address

Finally Sheckels goes to Australia to consider Gough Whitlam's unprecedented dismissal as prime minister and Kevin Rudd's farewell speech after being replaced by his own party members. Asking new questions and using novel rhetorical approaches, *Political Communication in the Anglophone World* illuminates how communication proceeds whether the medium be speech, song, website, or pirouette.
