Broken Promises Beebe Love,2012-09 Broken Promises follows the main character Beebe who falls in love with the man of her dreams He literally sweeps her off her feet with promises of happy ever after We have heard the saying things are not as they seem sometimes people are too good to be true That is exactly what we find in Desmond Carlisle He takes Beebe on an emotional roller coaster ride to the point that she almost loses herself in the process Were it not for the love of a close family her belief in God and her own common sense she finally allows the blinders to come off in order to see what she has been hiding from herself The person that she married never really existed She fell in love with his representative Now she had to figure out a way to dig her way out of the mess she has allowed herself to be in However she had to tread carefully because she had no idea who she was dealing with Who was this man who had stolen her heart and ripped it apart like pieces of common paper

Broken Promises Evelyn Glass,2017-11-06 Broken Promises is book 1 in the Mad Jackals MC trilogy Books 2 and 3 Broken Vows and Broken Hearts are available everywhere now He promised me that he d always be there for me But that was before he was gunned down in the streets and left to die Since that terrible day he was gone alive only in my memory Until I saw him again heard his booming laugh and traced the irresistible smile on his lips He d gone through hell but behind those eyes was the same man whom I gave my heart to years ago The same man who held me in his strong hands as his heart beat in time with mine The same man who promised me he d never let go Or so I thought He wasn t the same Ray Nolan of my memories Not anymore And beneath all the excitement and pleasure lies a darkness that I m not ready to face A darkness that remembers the promise he made To hold me tight And never let go Shattered Dreams, Broken Promises

The Knight Code Stephanie Morris,2023-10-10 Nova Williams family power has always been both her shield and her prison But when two dangerous rivals from enemy families set their sights on her the delicate life she s built threatens to collapse As the daughter of the secret society s leader she s learned to navigate shifting alliances and hidden agendas with elegance and precision Yet these men one cold and calculating the other reckless and relentless demand more than just her trust They want her submission and surrendering to either could destroy everything she holds dear Reardon Mayburn has built his life on dominance accustomed to taking what he desires without hesitation As a powerful figure within their secret world no challenge intimidates him especially not a rival s interest in the same woman The daughter of their greatest ally is more than just a prize to be won Nova s an opportunity to prove his supremacy But the deeper he s drawn into her world the more control slips from his grasp threatening to unravel the rules he s always lived by For Benjamin Douglass passion is just another game and love has no place in it But Nova is unlike anyone he s ever pursued and resisting her is impossible In their pursuit boundaries blur alliances shift and desire ignites into something none of them expected What begins as a battle for power transforms into an obsession and once hearts are laid bare nothing will ever be the same again
