## **The Master Christian:**

*The Master-Christian* Marie Corelli,1900 An inspirational sermon of a novel that offers a sharp rebuke against the hypocrisy and materialism the author portrays here as pervading the ecclesiastical practices of the Church of Rome **The Master-Christian** Marie Corelli,2020-01-22 Christianity almost always plays a thematic role in the novels of Marie Corelli but in *The Master Christian* this abidingly popular late Victorian novelist tackles the subject directly Written in an appealingly simple style Corelli considers what it really means to be a Christian in the modern world **The Master-Christian** Marie Corelli,1998 *The Master-Christian ... James Sawyer,2006 This introduction to theology provides students with a complete overview of theology Its three sections bring together information that is usually scattered over many volumes The first section looks at what theology is while the second offers an overview of the many theological systems past and present The last part is a quick reference theological fact finder providing definitions of theological terms and brief biographies of major theologians **The Ship-Master's Assistant and Owner's Manual, containing complete information relative to the mercantile and maritime laws and customs ... Taylor,2016-05 THE Middle Ages They seem so far away intellectually so preposterous spiritually so strange Bits of them may touch our sympathy please our taste certain of their stories their romances as if those straitened ages really were the time of romance which they were not God knows in the sense commonly taken Now if the pageant of those centuries charm our eyes with forms that seem so full of meaning why should we stand indifferent to the harnessed processes of mediaeval thinking and the passion surging through the thought Thought marshaled the great mediaeval procession which moved to measures of pulsating and glorifying emotion Let the reader be mindful of his purpose to follow through the Middle Ages the development of intellectual energy and the growth of emotion Holding this end in view we students all shall not stray from our quest after those human qualities which

impelled the strivings of mediaeval men and women informed their imaginations and moved them to love and tears and pity
