The Mill on the Floss is a novel by George Eliot first published in three volumes in 1860 by William Blackwood The first American edition was published by Harper Brothers Publishers New York The Mill on the Floss George Eliot,2007-03-09

This classic novel first published in 1860 tells the story of Maggie Tulliver Intelligent and headstrong but trapped by the conventions of family tradition and rural life Maggie is one of the great heroines of Victorian literature Along with Maggie s story the novel also tells a companion tale of the social pressures that restrict the vision of her beloved brother Tom George Eliot s most autobiographical novel The Mill on the Floss remains one of her most popular and influential works This Broadview edition includes a critical introduction and extensive contextualizing notes as well as a broad range of appendices drawn from contemporary documents dealing with issues such as 19th century views of disability education and the Woman Question *Sex Scandal* William A. Cohen,1996 Never has the Victorian novel appeared so perverse as it does in these pages and never has its perversity seemed so fundamental to its accomplishment By viewing this fiction alongside the most alarming public scandals of the day Cohen exposes both the scandalousness of this literature and its sexiness In narratives ranging from Great Expectations to the Boulton and Park sodomy scandal of 1870 71 from Eliot s and Trollope s novels about scandalous women to Oscar Wilde s writing and his trials for homosexuality Cohen shows how in each instance sexuality appears couched in coded terms He identifies an assortment of cunning narrative techniques used to insinuate sex into Victorian writing demonstrating that even as such narratives air the scandalous subject they emphasize its unspeakable nature Written with an eye toward the sex scandals that still whet the appetites of consumers of news and novels this work is suggestive about our own modes of imagining sexuality today and how we arrived at them BOOK JACKET New York Magazine ,1997-10-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Untamed and Unabashed* Regina Barreca,1994 In Untamed and Unabashed Regina Barreca noted authority on women and humor examines the use of humor in the works of Jane Austen Charlotte Bronte George Eliot Elizabeth Bowen Muriel Spark and Fay Weldon She analyzes the ways that each writer uses comedic devices especially those involving language itself and discusses the gendered basis of their humor providing a provocative feminist perspective on gender and comedy Each of the essays argues that conservative critics have misread and misunderstood the importance of humor in the works of these women authors and that women s humor serves to explode conventions oppressive to women and to offer women readers a critique of and an alternative perspective on the dominant cultural ideologies that contain and oppress

them The book concludes that these authors strategically deployed humor coded in forms that women readers but not men readers would recognize and understand as a means of educating and empowering those women readers Barreca asserts that much of women s comic play has to do with power and its systematic misappropriation allowing women to gain perspective by ridiculing the implicit insanities of a patriarchal culture Using detailed persuasive new readings of various works of each of her chosen authors she shows how the straightjacket of conventional femininity is challenged confronted and finally thrown off This volume demonstrates that comedy can effectively channel anger and rebellion by first making them appear to be acceptable and temporary phenomena and then by harnessing the released energies rather than dispersing them This kind of comedy which is at the heart of *Untamed and Unabashed* terrifies those who hold order dear It should **George Eliot and Her Women** Charlotte Fiehn,2024-11-25 George Eliot and Her Women argues that the Victorian writer George Eliot 1819 1880 was not only keenly aware of women s issues but more deeply engaged with them than she has yet received credit for Proposing that her work is still misread and misunderstood because of her unusual and complex relationship to gender and an inattention to the complexity of her female characters and their representation the book examines Eliot s construction and treatment of female characters throughout her prose fiction and her poetry to show that she was very much attuned to and supportive of women s issues Demonstrating that Eliot was unable to speak publicly on women s issues because of her complicated private life George Eliot and Her Women demonstrates that she nonetheless advocated for women s rights particularly access to education through her fiction and poetry using her creative works to inspire sympathy and promote awareness about women s struggles in nineteenth century Britain *The Mill on the Floss* George Eliot,2018-02-08 The novel details the lives of Tom and Maggie Tulliver a brother and sister growing up on the river Floss near the village of St Oggs evidently in the 1820s after the Napoleonic Wars but prior to the first Reform Bill 1832 The novel spans a period of 10 15 years from Tom and Maggie s childhood up until their deaths in a flood on the Floss The book is fictional autobiography in part reflecting the disgrace that George Eliot Mary Ann Evans herself had while in a lengthy relationship with a married man George Henry Lewes We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
