The Millionaire's Cinderella Wife Lilian Darcy,2014-11-15 Can I beg you on my bended knees to stick around for a bit Sierra Ty said Every woman on the entire East Coast would have dreamed of receiving such an offer from the handsome millionaire businessman who now graced the cover of A list magazine But not Sierra Garrett Because few people knew that their bachelor of the year was still her husband Sierra intended to correct that technicality But when she arrived Ty sidetracked her with his proposition to ward off his new female fans Of course Ty had another motive Because as long as Sierra stayed he planned to use every charm known to mankind to convince her to stay and give their marriage a second chance San Francisco Daily Times ,1901 The Millionaire's Gamble Sarah Ballance,2016-07-11 Oh my goodness Sarah has done it again with this fun sexy hot entertaining story This is one of the best books I have read this year Rhonda NetGalley Seducing a millionaire playboy couldn't be that hard right When Kennedy Price's job as PA to an investor puts her up close and personal with the hotel mogul who fathered her sister's child she hatches a plan to prove paternity She just needs to get close enough to snag a hair She never expected she'd stumble onto evidence that could derail his business deal

potentially costing him millions Or that she'd find herself attracted to the sinfully hot playboy who has everything to lose Jagger Hamilton can prove he didn't father Kennedy's nephew but the stunning brunette doesn't believe him She knows he's a millionaire several times over and that money can buy anything even lies When she blackmails him to be a father to a kid who isn't his or lose his investor he plays hard and fast to make sure he gets what he wants And with sparks flying and passion exploding between them what he wants is the one thing she promises he'll never have her **Andrew Carnegie**

James Mackay, 2012-12-21 Andrew Carnegie 1835-1922 was a mass of contradictions a radical Chartist who became a rabid capitalist an idealist who was also a profound cynic a committed pacifist who also played a crucial role in the opening part of the American Civil War and a ladies man who had to wait until his fifties after his domineering mother died before forming a meaningful relationship with a woman From bobbin boy in a Pittsburgh factory he progressed to messenger boy telegraphist and railway superintendent His meteoric rise owed much to his boss Thomas Scott who also cut the young Carnegie in on his first lucrative share deal The youth who earned thirty five dollars a month was on the road to his first million within a year or two and he never looked back Speculation in rolling stock and railways the nascent oil industry iron and above all steel made Carnegie the richest man in the world Along the way he created fortunes for many others but trampled on friend and foe alike in his relentless pursuit of money Then the man who amassed the largest fortune in the world proceeded to give most of it away From free libraries to world peace the Carnegie millions were pumped into a host of worthy causes The Peace Palace at the Hague is the lasting legacy of this global philanthropy but Carnegie's faith in the Kaiser to achieve world peace was shattered by the outbreak of the First World War and it was a setback from which he never recovered This candid and penetrating biography follows Carnegie from his humble birthplace in Dunfermline to the squalor of Allegheny City and Pittsburgh in the 1840s and charts his dramatic rise to fame and fortune Set against the contrasting backdrops of radical Scotland and America during the most turbulent phase of its development Little Boss is the definitive story of one of the world's greatest captains of industry **Flight to the Stars** Pamela Kent, 2021-09-30
