The Modern Con Man How To Get Something For Nothing:

The Modern Con Man Todd Robbins, 2008-12-08 Whether it's winning 50 on a bar bet scoring seats closer to the fifty yard line or finagling a free meal *The Modern Con Man* ensures that aspiring low risk grifters will always come out on top Filled with humorous facts and tables a glossary of con terms illustrations the history of the con and easy to follow swindles this is the perfect gift for the hidden flim flam artist in your life

The Truth About Lies Aja Raden, 2021-05-11 Why do you believe what you believe You've been lied to Probably a lot We're always stunned when we realize we've been deceived We can't believe we were fooled What was I thinking How could I have believed that We always wonder why we believed the lie But have you ever wondered why you believe the truth People tell you the truth all the time and you believe them and if at some later point you're confronted with evidence that the story you believed was indeed true you never wonder why you believed it in the first place In this incisive and insightful taxonomy of lies and liars New York Times bestselling author Aja Raden makes the surprising claim that maybe you should Buttressed by history psychology and science *The Truth About Lies* is both an eye opening primer on con artistry from pyramid schemes to shell games forgery to hoaxes and also a telescopic view of society through the mechanics of belief why we lie why we believe and how if at all the acts differ Through wild tales of cons and marks Raden examines not only how lies actually work but also why they work from the evolutionary function of deception to what it reveals about our own In her previous book *Stoned* Raden asked What makes a thing valuable In *The Truth About Lies* she asks What makes a thing real With cutting wit and a deft touch Raden untangles the relationship of truth to lie belief to faith and deception to propaganda *The Truth About Lies* will change everything you thought you knew about what you know and whether you ever really know it
