Fire Vision Steven Harrison,2018-07-17 Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar

sun eclipses and blood moons are often considered as key events or signs in God's Word. Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire. The amazing images in my bedroom later told the story of my heart attack. The Holy Spirit unlocked these images by His Word through time. The Cokeville miracle story also has a detailed fire image that was burned into the wall. Its message had been well hidden until now. Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things. The single most important and unanswered question for many people today remains a mystery. Ask yourself: How will the King of kings see me? **THE SIXTH SEAL II** Cliff

Kelly, 2024-01-30 Today we are witnessing the historically powerful American Order experiencing perhaps its greatest peril as it struggles against the tidal wave of new challenges from Covid 19, the rapid rise of Christian Nationalism, large scale Apostasy and an increasingly divided nation streaming toward increased violence and possibly even Civil War. Dr. Kelly takes on these growing trends by examining Scripture by Scripture, the Sixth Chapter of the Book of Revelation as a Template to help explain the reasons for the current Crisis and where America is likely headed if we do not effectively and biblically confront it. He argues that these events constitute the many Birth Pangs leading up to the stunning Return of Jesus Christ to rescue His true Church and judge the nations. But before that Day, Christians in America and around the world must prepare to move through those first tumultuous Seals as God sifts and separates the true follower of Christ from the impostors. This is a riveting ride and the reader is urged to have a Bible and a notepad close by as we explore what Dr. Kelly termed in the first edition of this book, *The End of History as We Know It 2*. **Rules for Radical Christians** Nelson R. Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain. It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline. Liberals may claim that they are godless Atheists, but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer. We are losing a spiritual battle by fighting with the tools of the flesh: logic, reason, emotion, science, and the law. We are bound to lose. We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent. Liberals know full well that they are fighting for the soul of our nation. We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation. It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed. Godliness can be restored. We are also fighting for the soul of our nation. It is NOT the same soul that the Liberals are trying to preserve. They have corrupted our nation by deception. We can restore the national soul they corrupted with the truth.

My Armor's Kinda Rusty ... Encouragement For Weary Warriors, Notes from a Derelict Culture David Solway, 2019-08-04 The essays in this book elaborate an overall view of the central predicament confronting the West today, a

theologically inspired terrorist movement the left liberal belief system that dominates the Western sensibility the plague of political correctness that devitalizes language and obscures truth and the almost universal opprobrium in which America and by extrapolation the historical endowment of Western civilization is held by the official institutions of the international community and by liberal culture For too many years now we have practiced the rites of evasion craving asylum in blindness conciliation sophistry and equivocation Many flinch from expressing their convictions plainly fearing to offend their readers and imperil their professional credentials There is no more pressing requirement for us today than the obligation to seek the truth and to speak clearly boldly and without compromise an endeavor with which this book is fundamentally engaged

Seeing the World in 3-D Denny Stahl, 2024-01-26 We certainly live in interesting times don't we Bombarded daily and constantly by information that seems to come from every direction and through all kinds of media all sounding authoritative and accurate and making demands on us to take a stand for the truth What used to be seen as debate has become a shouting match with the decibel level of the noise reaching deafening levels Accusations about misinformation come from every side of every issue and the efforts to cancel ideas and perspectives and even people have become the rage In this hostile uptight angry culture you may find it increasingly difficult to decide whom to trust and what to believe This book is written for anyone interested in truly developing an ability to see clearly through the fog so that he or she will be able to navigate the highway of life successfully without being distracted or diverted from the course God wants you to take
