

The Nazi Germany Sourcebook: an anthology of texts by Roderick Stackelberg and Sally A. Winkle
London: Routledge, 2002

P. 141:

The Enabling Act 1934

'formed the legal basis of Hitler's dictatorship. The law that abrogated the Weimer constitution and destroyed parliamentary democracy in Germany was given a typically euphemistic title'.
Achieved by barring Communist delegates and persuading other groups in order to achieve two-thirds majority.

P. 142:

Freed him from requiring Reichstag. As well as Presidential approval on legislation passed under Article 48 of the Weimer Constitution (emergency measures without prior Reichstag consent).
Vote of 444 to 93

Hermann Goering P. 136: some contextual info on him.

'The Reorganization of the Police'

'I had taken on a grave responsibility. An enormous amount of work lay before me. It was quite clear to me that I could make little use of the existing system, but would have to make sweeping changes'.
'Of the 32 chiefs of the regular police I removed 22. Hundreds of inspectors and thousands of police sergeants were removed in the following months. New men were brought in, and everywhere they were chosen from the great manpower pool of the SA. It was important to instill a completely new spirit in the police'.

P. 193: Hitler's speech to the Reichstag, 7 March 1936, Rhineland dayyyyyyyyyy. Might be cross-referencable to Noakes and Pridham

'Men of the German Reichstag! France has replied to the repeated friendly offers and peaceful assurances made by Germany by infringing on the Rhine Pact through a military alliance with the Soviet Union, exclusively directed against Germany.' As Stackelberg and Winkle note, this encouraged sympathy amongst conservatives abroad who considered Communism a threat to the stability of Europe. They were more worried by the Soviet Union than German fascism. It also broke down Holland and Belgium's willingness to coordinate defensive strategy for fear of inevitable conflict – by showing Germany's strength, others became unwilling. This was Hitler's aim?

P. 195: Contextual information on Germany in 1936 at home:

The Four-Year Plan – Hitler cautioned by the central Reich Bank Hjalmar Schacht (also his Economics Minister) that excessive deficit financing was damaging and proposed integration into the world markets. Hitler refused to slow rearmament for simple economic reasons.

Finished the memorandum (pg 200) by saying 'The German army must be operational [einsatzfähig] (last a umlaut) within four years.' And 'The German economy must be fit for war [kriegsfähig] (a umlaut) within four years.', this however is within the context of self-sufficiency (p 199) and the threat of Bolshevik assault (p 196).

p. 194: Reinhard Heydrich – "Fighting the Enemies of the State" 29 April 1936, an article designed to mobilize popular support for repression.

'The Communist, whose core is drawn mainly from the ranks of international criminals and who fights with all the methods of modern technology, is especially dangerous, as he must also be regarded as a spy for Soviet Russia' – A correlation between domestic and foreign threats.

Gilman, 2013-07-10 No documentation of National Socialism can be undertaken without the explicit recognition that the German Renaissance promised by the Nazis culminated in unprecedented horror World War II and the genocide of European Jewry With The Third Reich Sourcebook editors Anson Rabinbach and Sander L Gilman present a comprehensive collection of newly translated documents drawn from wide ranging primary sources documenting both the official and unofficial cultures of National Socialist Germany from its inception to its defeat and collapse in 1945 Framed with introductions and annotations by the editors the documents presented here include official government and party pronouncements texts produced within Nazi

structures such as the official Jewish Cultural League as well as documents detailing the impact of the horrors of National Socialism on those who fell prey to the regime especially Jews and the handicapped With thirty chapters on ideology politics law society cultural policy the fine arts high and popular culture science and medicine sexuality education and other topics The Third Reich Sourcebook is the ultimate collection of primary sources on Nazi Germany *European Fascist Movements* Roland Clark,Tim Grady,2023-05-31 This volume offers a fresh and original collection of primary sources on interwar European fascist movements These sources reflect new approaches to fascism that emphasise the practical transnational experience of fascism as a social movement contextualising ideological statements within the historical moments they were produced Divided into 18 geographically based chapters contributors draw together the history of various fascist and right wing movements selecting sources that reflect themes such as transnational ties aesthetics violence female activism and the instrumentalisation of race gender and religion Each chapter provides a chronological narrative account of movements interspersed with complete primary sources from political speeches internal movement circulars and articles police reports oral history songs and music photographs artworks poetry and anti fascist sources The volume as a whole seeks to introduce readers to the diversity of fascist groups across the continent to show how fascist groups were constituted through social bonds rather than around fixed ideologies and to capture the inexperience and ad hoc character of early fascist groups With an Introduction that explains the volume s theoretical approach and elaborates on the chronology of European fascism this is the perfect sourcebook for any student of Modern European history and politics The book is accompanied by a free app available for download for iOS and Android from <https://www.liverpool.ac.uk/it/app/directory/fascistmovements> You can use the app to identify places where fascist groups were active during the 1920s and 1930s and to get a glimpse of what life was like during the age of fascism The app includes interactive maps descriptions of 76 points of interest and images for each point of interest *The Holocaust* Paul R. Bartrop,Michael Dickerman,2017-09-15 This four volume set provides reference entries primary documents and personal accounts from individuals who lived through the Holocaust that allow readers to better understand the cultural political and economic motivations that spurred the Final Solution The Holocaust that occurred during World War II remains one of the deadliest genocides in human history with an estimated two thirds of the 9 million Jews in Europe at the time being killed as a result of the policies of Adolf Hitler and Nazi Germany The Holocaust An Encyclopedia and Document Collection provides students with an all encompassing resource for learning about this tragic event a four book collection that provides detailed information as well as multidisciplinary perspectives that will serve as a gateway to meaningful discussion and further research The first two volumes present reference entries on significant individuals of the Holocaust both victims and perpetrators anti Semitic ideology and annihilationist policies advocated by the Nazi regime giving readers insight into the social political cultural military and economic aspects of the Holocaust while enabling them to better understand the Final Solution in Europe during World War II and its lasting legacy The third volume

of the set presents memoirs and personal narratives that describe in their own words the experiences of survivors and resisters who lived through the chaos and horror of the Final Solution The last volume consists of primary documents including government decrees and military orders propaganda in the form of newspapers and pamphlets war crime trial transcripts and other items that provide a direct look at the causes and consequences of the Holocaust under the Nazi regime By examining these primary sources users can have a deeper understanding of the ideas and policies used by perpetrators to justify their actions in the annihilation of the Jews of Europe The set not only provides an invaluable and comprehensive research tool on the Holocaust but also offers historical perspective and examination of the origins of the discontent and cultural resentment that resulted in the Holocaust subject matter that remains highly relevant to key problems facing human society in the 21st century and beyond

Holocaust, Genocide, and the Law Michael J. Bazyler, 2017-07 A great deal of contemporary law has a direct connection to the Holocaust That connection however is seldom acknowledged in legal texts and has never been the subject of a full length scholarly work This book examines the background of the Holocaust and genocide through the prism of the law the criminal and civil prosecution of the Nazis and their collaborators for Holocaust era crimes and contemporary attempts to criminally prosecute perpetrators for the crime of genocide It provides the history of the Holocaust as a legal event and sets out how genocide has become known as the crime of crimes under both international law and in popular discourse It goes on to discuss specific post Holocaust legal topics and examines the Holocaust as a catalyst for post Holocaust international justice Together this collection of subjects establishes a new legal discipline which the author Michael Bazyler labels Post Holocaust Law

Ideology and Hegemony of English Foreign Language Textbooks Ömer Gökhan Ulum, Dinçay Köksal, 2020-01-27 This volume investigates ideological and hegemonic practices in globally and locally written English as a Foreign Language EFL textbooks and explores whether these textbooks reflect the values beliefs and norms of the native speaker society by examining their ideological components and the hegemonic practices by means of which the source society or state seeks to influence learners of the language It also attempts to clarify EFL teachers and students views on the underlying ideology and hegemonic practices in globally and locally written EFL textbooks Studies on the relationship between ideology hegemony and textbooks in applied linguistics have become more prevalent in recent decades as the emergence of critical theory critical pedagogy and critical thinking skills from the 1920s onwards has led scholars to adopt a more critical perspective towards EFL textbooks especially with regard to elements of ideology and hegemony These two terms encompass a plethora of components ranging from nationalism to religion At the same time the importance of metanarratives originating from the tenets of modernism has declined from the 1960s onwards the assumption being that the world has entered a new age called postmodernism and post structuralism that emphasizes the role of individuals and rejects efforts to reinforce post colonialism the effects of which can be seen in EFL textbooks Accordingly taking the elements of ideology and hegemony into account remains a vital aspect in

the analysis of EFL textbooks **Totalitarianism** Phillip W. Gray,2023-06-20 Totalitarianism The Basics is an easy to read introduction into the main concepts ideologies and regimes associated with totalitarianism Starting with an overview of how scholars have attempted to define totalitarianism Phillip W Gray begins with an examination of the various types of terms used helping the reader think about how these terms do and do not apply to different ideologies and governments Easily accessible language and the use of numerous examples aid readers in seeing the connections between certain types of ideologies and some forms of organization movements in their relation to historically well known totalitarian regimes Gray concludes with the tools necessary to think through how to distinguish between an actual or potential totalitarian system and regimes that while oppressive or authoritarian would not be totalitarian in nature A rich bibliography containing additional readings bookend the text Totalitarianism The Basics offers an essential introduction for students from all backgrounds seeking to understand totalitarianism and for general readers with an interest in political ideologies and extremism For those knowledgeable in this field it adds conceptual relevance and a variety of ways of thinking about the term *'Law, Not War'* Federica D'Alessandra,2018-02-06 **History for the IB Diploma Paper 2 Authoritarian States (20th Century)** Allan Todd,Sally Waller,2015-09-10 This course book covers Paper 2 World History Topic 10 Authoritarian states 20th century of the History for the International Baccalaureate IB Diploma syllabus for the first assessment in 2017 Written by experience IB history examiners and teachers it offers authoritative and engaging guidance through the topic to help student s explore the emergence of authoritarian states consolidation and maintenance of power of these states and the aims and results of authoritarian state policies **Jewish Memory And the Cosmopolitan Order** Natan Sznaider,2013-04-17 Natan Sznaider offers a highly original account of Jewish memory and politics before and after the Holocaust It seeks to recover an aspect of Jewish identity that has been almost completely lost today namely that throughout much of their history Jews were both a nation and cosmopolitan they lived in a constant tension between particularism and universalism And it is precisely this tension which Sznaider seeks to capture in his innovative conception of rooted cosmopolitanism that is increasingly the destiny of all peoples today The book pays special attention to Jewish intellectuals who played an important role in advancing universal ideas out of their particular identities The central figure in this respect is Hannah Arendt and her concern to build a better world out of the ashes of the Jewish catastrophe The book demonstrates how particular Jewish affairs are connected to current concerns about cosmopolitan politics like human rights genocide international law and politics Jewish identity and universalist human rights were born together developed together and are still fundamentally connected This book will appeal both to readers interested in Jewish history and memory and to anyone concerned with current debates about citizenship and cosmopolitanism in the modern world Red Orchestra Anne Nelson,2023-08-24 For years the history of the anti Nazi resistance in Germany was hidden and distorted by Cold War politics Providing a much needed corrective Red Orchestra presents the dramatic story of a circle of German citizens who opposed Hitler from the start choosing to stay in Germany to

resist Nazism and help its victims The book shines a light on this critical movement which was made up of academics theatre people and factory workers Protestants Catholics and Jews around 150 Germans all told and from all walks of life Drawing on archives memoirs and interviews with survivors award winning scholar and journalist Anne Nelson presents a compelling portrait of the men and women involved and the terrifying day to day decisions in their lives from the Nazi takeover in 1933 to their Gestapo arrest in 1942 Nelson traces the story of the Red Orchestra Rote Kapelle resistance movement within the context of German history showing the stages of the Nazi movement and regime from the 1920s to the end of the Second World War She also constructs the narrative around the life of Greta Kuckhoff and other female figures whose role in the anti Nazi resistance fight is too often unrecognised or under appreciated This revised edition includes A new introduction which explores elements of the Red Orchestra s experience that resonate with our times including the impact of new media technologies the dangers of political polarization and the way the judiciary can be shaped to further the ends of autocracy The introduction will also address the long standing misconception that the German Resistance only took action when it was clear that Germany was losing the war Historiographic updates throughout the book which take account of recent literature and additional archival sources

The Victims of Slavery, Colonization and the Holocaust Kitty Millet, 2017-03-09 This book provides a sophisticated investigation into the experience of being exterminated as felt by victims of the Holocaust and compares and contrasts this analysis with the experiences of people who have been colonized or enslaved Using numerous victim accounts and a wide range of primary sources the book moves away from the continuity thesis with its insistence on colonial intent as the reason for victimization in relation to other historical examples of mass political violence to look at the victim experience on its own terms By affording each constituent case study its own distinctive aspects The Victims of Slavery Colonization and the Holocaust allows for a more enriching comparison of victim experience to be made that respects each group of victims in their uniqueness It is an important innovative volume for all students of the Holocaust genocide and the history of mass political violence

Anti-Semitism and the Holocaust Beth A. Griech-Polelle, 2023-01-26 Appreciating the power of language and how discriminatory words can have deadly consequences is pivotal to our understanding of the Holocaust Engaging with a wealth of primary sources and significant Holocaust scholarship Anti-Semitism and the Holocaust traces the historical tradition of anti-Semitism to explore this in detail From religious anti-Semitism in ancient Rome to racially led anti-Semites focused on building superior nation states in 19th century Europe to Hitler s vitriolic attacks Griech-Polelle analyzes how tropes and stereotypes incited suspicion dislike and hatred of the Jews and ultimately how this was used to drive anti-Semitic feeling toward genocide Crucially this 2nd edition sheds further light on the everyday experience of ordinary Germans and Jews under the Nazi regime with new chapters examining the role of the Christian Churches in Hitler s persecution of the Jews and those who participated in rescue work and resistance more broadly With new illustrations a detailed glossary and up to date further reading suggestions and questions this 2nd edition provides a concise and lucid
