## **The Old Wives Tale:**

**The Old Wives' Tale** Arnold Bennett, 2006-11 It is a beautiful novel revolving around the lives of three women Mrs Baines Sophia Constance and those who surround them The narration follows occurrences that change life It is so realistic that one can find one's life in any of the described characters Bennett compels the reader to search the souls of ordinary people and in the end leaves one with a question about one's own existence

**The Old Wives' Tale (1908) by Arnold Bennett, 2017-02-11** The Old Wives Tale is a novel by Arnold Bennett first published in 1908 It deals with the lives of two very different sisters Constance and Sophia Baines following their stories from their youth working in their mother's draper's shop into old age It covers a period of about 70 years from roughly 1840 to 1905 and is set in Burslem and Paris It is generally regarded as one of Bennett's finest works Bennett was initially inspired to write the book by a chance encounter in a Parisian restaurant In the introduction to the book he says an old woman came into the restaurant to dine She was fat shapeless ugly and grotesque She had a ridiculous voice and ridiculous gestures It was easy to see that she lived alone and that in the long lapse of years she had developed the kind of peculiarity which induces guffaws among the thoughtless

*The Old Wives' Tale* Arnold Bennett, 2015-07-11 was clear that I had not seen an execution or words to that effect and he proceeded to give his own description of an execution It was a brief but terribly convincing bit of writing quite characteristic and quite worthy of the author of *Montes the Matador* and of a man who has been almost everywhere and seen almost everything I comprehended how far short I had fallen of the truth I wrote to Mr Frank Harris regretting that his description had not been printed before I wrote mine as I should assuredly have utilized it and of course I admitted that I had never witnessed an execution He simply replied Neither have I This detail is worth preserving for it is a reproof to that large body of readers who when a novelist has really carried conviction to them assert off hand O that must be autobiography

**The Old Wives Tale (Classic Reprint) Arnold Bennett, 2015-06-30** Excerpt from *The Old Wives Tale* In the autumn of 1903 I used to dine frequently in a restaurant in the Rue de Clichy Paris Here were among others two waitresses that attracted my attention One was a beautiful pale young girl to whom I never spoke for she was employed far away from the table which I affected The other a stout middle aged managing Breton woman had sole command over my table and me and gradually she began to assume such a maternal tone towards me that I saw I should be compelled to leave that restaurant If I was absent for a couple of nights running she would reproach me sharply What you are unfaithful to me Once when I complained about some French beans she informed me roundly that French beans were a subject which I did not understand I then decided to be eternally unfaithful to her and I abandoned the restaurant A few nights before the final parting an old woman came into the restaurant to dine She was fat shapeless ugly and grotesque She had a ridiculous voice and ridiculous gestures It was easy to see that she lived alone and that in the long lapse of years she had developed the kind of peculiarity which induces guffaws among the thoughtless She

was burdened with a lot of small parcels which she kept dropping She chose one seat and then not liking it chose another and then another In a few moments she had the whole restaurant laughing at her About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
