The background of the image is a dark, atmospheric photograph of a jagged mountain peak. The rock face is textured with various shades of brown, tan, and black, showing signs of weathering and snow or ice patches. A thin, dark crescent moon is visible in the upper right portion of the sky, which is a deep, muted brown. The overall mood is somber and contemplative.

The only way out is
through." And the only good
way through is together.

Looking at the title of this book it is undoubtedly one of the simplest phrases one could come across But it is fully loaded and befits serious study The first study is what is the meaning of the Phrase Another study is what gives birth to such a phrase The third study is what is a way out While the last study is why is there no alternative to the way out as asserted by the word only A word of wisdom says that there cannot be smoke without a fire In the same vein it means that nothing can give rise to this phrase unless many attempts have been made to find a solution but have been unsuccessful Hence that out of many options provided as a means of escape only one of them is the answer All said and done it is time we cross to the liturgical sphere which we should all embrace The Only Way to Win Kerry L.
