He couldn't be more wrong. She's gone all afternoon and when she comes back she's scheduled him for a doctor's visit and found a very special pill for him to take and he better not argue. But maybe he should have tried because overnight the snide young man finds himself turned into a very confused and very horny bimbo. His stepmother says it'll teach him a lesson in seeing the other side of those demeaning porn scenes but all Chrissy seems to be learning is how much her new body expects the doctor's appointment to turn into something more and once the doctor gets his hands on the voluptuous girl on his exam table it won't take long before he starts getting similar thoughts.
