Once Upon a Billionaire, Books 1-3 Catelyn Meadows, 2025-08-20 If you like closed door suspenseful romance with slow burn chemistry and powerful men facing the fallout of their pasts you'll devour the witty banter emotional twists and fairytale feel of this absorbing series. Meet these billionaire bad boys and the women they're risking everything to be with. Ten years ago Adrian Hawk and Maddox made what they didn't realize was the worst mistake of their lives: they signed a pledge never to fall in love. It was never meant to be taken seriously but now that time has passed each man is breaking his word. And it's coming back to bite them. Someone from their past is trying to take them down for reneging. Now these men race against time to find out who it is before the women they love get caught in the crossfire. Love intertwines with fairytales and a dash of suspense in this romantic series where even the most powerful chemistry may not be enough to save these men from the shadows of their mistakes. Buy the Once Upon a Billionaire Box Set: modern day fairytale retellings with twists and turns at every corner to breathlessly await the fates of these billionaires and the women who dare to love them. This set includes books 1-3 in bestselling sweet romance author Catelyn Meadows' Once Upon a Billionaire Series: Goldie and the Billionaire Bear, Ella and the Billionaire's Ball, Alice and the Billionaire's Wonderland. [The Billionaire's Price](#) Sabel Simmons, 2025-08-13 This book was previously published under my pen name Linzi Basset with the title Sarah: The Life of Me. Please note: This book is written in dual POV. Every small town has its outcasts. Sarah Gould wore that badge like a wound branded by whispers and sideways glances since childhood. But she never expected to trade that scarlet letter for a price tag at The Bellissima, an elite playground where fantasies come with a hefty invoice. The choice wasn't hers. With her mother's life hanging by a thread of debt, Sarah steps into the glittering cage of The Madam's, making her role simple: Be the innocent flower among thorns. Be desirable. Be destructible. Enter Jake Sinclair, billionaire co-owner of this temple of temptation. He's a man who collects pleasures like others collect art, each conquest carefully curated, none lasting beyond sunrise. Until Sarah. One look at her and his carefully constructed world tilts on its axis. One touch and he's burning up in flames of his own making. Jake Sinclair always gets what he wants, but this time what he wants might be his undoing. As shadows from Sarah's past lengthen and secrets threaten to shatter their glittering facade, one question remains: In a game where everyone wears a

mask who's really hunting whom Because sometimes the most dangerous player is the one you never see coming Will the puppet master become the puppet Or will both hunter and prey find themselves caught in a web of their own design

Billionaires Darryl Cunningham, 2021-05-20 An informative and funny deconstruction of how the giants of American capitalism shape our world In *Billionaires* Darryl Cunningham offers an illuminating analysis of the origins and ideological evolutions of four key players in the American private sector Amazon founder and CEO Jeff Bezos media mogul Rupert Murdoch and oil and gas tycoons Charles and David Koch What emerges is a vital critique of American capitalism and the power these individuals have to assert a corrupting influence on policy making political campaigns and society writ large Cunningham focuses on a central question Can the world afford to have a tiny global elite squander resources and hold unprecedented political influence over the rest of us The answer is detailed through hearty research common sense reasoning and astute comedic timing *Billionaires* reveals how the fetishized free market operates in direct opposition with the health of our planet and needs of the most vulnerable how Murdoch's media mergers facilitated his war mongering how Amazon's litigiousness and predatory acquisitions made them The Everything Store and how the Kochs father's refineries literally fueled Nazi Germany In criticizing the uncontrolled reach of power by Rupert Murdoch in fueling the far right the Koch Brothers in advocating for climate change denial and Jeff Bezos in creating unsafe working conditions Cunningham speaks truth to power *Billionaires* ends by suggesting alternatives for a safer and more just society

Platform Socialism James Muldoon, 2022-01-20 Ground breaking and ambitious Nick Srnicek author of *Platform Capitalism* Whoever controls the platforms controls the future *Platform Socialism* sets out an alternative vision and concrete proposals for a digital economy that expands our freedom Powerful tech companies now own the digital infrastructure of twenty first century social life Masquerading as global community builders these companies have developed sophisticated new techniques for extracting wealth from their users James Muldoon shows how grassroots communities and transnational social movements can take back control from Big Tech He reframes the technology debate and proposes a host of new ideas from the local to the international for how we can reclaim the emancipatory possibilities of digital platforms Drawing on sources from forgotten histories to contemporary prototypes he proposes an alternative system and charts a roadmap for how we can get there

Rise of the Spectacular John Hannigan, 2021-08-29 In this prequel to *Fantasy City Pleasure and Profit in the Postmodern Metropolis* 1998 his acclaimed book about the post industrial city as a site of theming branding and simulated spaces sociologist John Hannigan travels back in time to the 1950s Unfairly stereotyped as the tranquillized decade America at mid century hosted an escalating proliferation and conjunction of spectacular events spaces and technologies Spectacularization was collectively defined by five features It reflected and legitimated a dramatic increase in scale from the local regional to the national It was mediated by the increasingly popular medium of television It exploited

middle class tension between comfortable conformity and desire for safe adventure It celebrated technological progress boosterism and military power It was orchestrated and marketed by a constellation sometimes a coalition of entrepreneurs and dream merchants most prominently Walt Disney In this wide ranging odyssey across mid century America Hannigan visits leisure parks Cypress Gardens parades Tournament of Roses mega events Squaw Valley Olympics Century 21 Exposition architectural styles desert modernism innovations underwater photography circular film projection and everyday wonders chemistry sets Collectively these fashioned the spectacular gaze a prism through which Americans in the 1950s were acculturated to and conscripted into a vision of a progressive technology based future Rise of the Spectacular will appeal to architects landscape designers geographers sociologists historians and leisure tourism researchers as well as non academic readers who are by a fascinating era in history

The Payment Linzi Basset,2025-04-20 Her grandfather s debt became her prison Her heart was the price Tatiana Polov was more than just a pawn in a game between titans she was the currency that sealed a devil s bargain Jarek Farrel the Dark One of Boston s underworld had orchestrated every move with the precision of a master player wrapping her in promises of love while binding her in chains of obligation The signs of his true nature had always been there she had just been too lovestruck to pay attention to them Now trapped between her Bratva heritage and the man whose power made even her formidable grandfather bow she learned that love s warmth could freeze into hatred s ice Her husband might rule Boston s white crime with an iron fist but he made one critical mistake he underestimated the woman scorned Jarek demanded a wife and an heir as payment He got the first but Tatiana would sooner paint her soul black than give him the second Let him think he d broken her spirit Let him believe her submission After all the most dangerous predators knew when to play dead The debt might not have been hers but the payment would be Jarek s to make And Tatiana intended to collect with interest Some debts can never be forgiven The Sordid Debt Duet will drag you into the shadows where morality is blurred justice bleeds out and the line between vengeance and redemption is obscured by a crimson mist

Caught in his Web Linzi Basset,2021-06-11 One tequila fueled confession was all it took The moment Brooke Willows admitted she wanted Jack Sands he pounced like a cat on a laser pointer After all he d been fantasizing about a repeat performance of that

birthday kiss since she turned twenty one and this time he wasn't letting her get away Brooke She put up with his alpha male peacocking because let's face it the man was walking temptation in a suit And this time she was determined to scratch that particular itch even if it meant enduring his insufferable smugness Mexico seemed like the perfect place to finally combust and boy did they But faster than you could say emotional baggage Jack's hang ups about her past turned their steamy getaway into an arctic freeze Just their luck the LAPD threw them together on a project forcing Jack to face the demons he'd been running from for far too long Love was trying its darndest to play matchmaker but these two weren't exactly cooperative Now they were both wondering if their explosive chemistry was just a spectacular disaster waiting to happen Because sometimes even when two people were perfect for each other they were too busy being perfectly stubborn to notice Would these two hardheads finally get out of their own way Or was this case of combustible attraction destined to go down in flames

Plutocrats Chrystia Freeland, 2012-10-16 In the last few decades what it means to be rich has changed dramatically Forget the 1% it's the wealthiest 0.1% who are fast outpacing the rest of us Today's colossal fortunes are amassed by the diligent toiling of smart perceptive businessmen who see themselves as deserving victors in a cutthroat international competition Cracking open this tight knit world is Chrystia Freeland an acclaimed business journalist At ease in Davos or Dubai Freeland has reported on the lives and minds of these new super elites for nearly a decade Grounding her interviews in the economics and history of modern capitalism she provides examples of the new wealth and its consequences She showcases the 3 million birthday party of a New York financier months before the financial meltdown details the closed door 2005 SEC meeting where the US government allowed investment banks to write their own regulatory laws and tells how the Bank of Canada's Mark Carney became a key figure in the central battle between the plutocracy and the rest of us Brightly written and powerfully researched Freeland's *Plutocrats* will be a lightning rod event in the midst of the US election season

Watergate: The Hidden History Lamar Waldron, 2012-06-05 While Richard Nixon's culpability for Watergate has long been established most recently by PBS in 2003 what's truly remarkable that after almost forty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The

Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times

Out-Innovate Alexandre "Alex" Lazarow, 2020-04-07 The new playbook for innovation and startup success is emerging from beyond Silicon Valley at the frontier Startups have changed the world In the United States many startups such as Tesla Apple and Amazon have become household names The economic value of startups has doubled since 1992 and is projected to double again in the next fifteen years For decades the hot center of this phenomenon has been Silicon Valley This is changing fast Thanks to technology startups are now taking root everywhere from Delhi to Detroit to Nairobi to Sao Paulo Yet despite this globalization of startup activity our knowledge of how to build successful startups is still drawn primarily from Silicon Valley As venture capitalist Alexandre Lazarow shows in this insightful and instructive book this Silicon Valley gospel is due for a refresh and it comes from what he calls the frontier the growing constellation of startup ecosystems outside of the Valley and other major economic centers that now stretches across the globe The frontier is a truly different world where startups often must cope with political or economic instability and lack of infrastructure and where there might be little or no access to angel investors venture capitalists or experienced employee pools Under such conditions entrepreneurs must be creators who build industries rather than disruptors who change them because there are few existing businesses to disrupt The companies they create must be global from birth because local markets are too small They focus on resiliency and sustainability rather than unicorn style growth at any cost With rich and wide ranging stories of frontier innovators from around the world Out Innovate is the new playbook for innovation wherever it has the potential to happen

Asian Americans and the Spirit of Racial Capitalism Jonathan Tran, 2022 Any serious consideration of Asian American life forces us to reframe the way we talk about racism and antiracism There are two contemporary approaches to antiracist theory and practice The first emphasizes racial identity to the exclusion of political economy making racialized life in America illegible This approach's prevalence in the academy and beyond now rises to the level of established doctrine The second approach views racial identity as the function of a particular political economy what is called racial capitalism and therefore analytically subordinates racial identity to political economy Jonathan Tran develops arguments in favor of this second approach He does so by means of an extended analysis of two case studies a Chinese migrant settlement in the Mississippi Delta 1868 1969 and the Redeemer Community Church in the Bayview Hunters Point section of San Francisco 1969 present While his analysis is focused on particular groups and persons he uses it to examine more broadly racial capitalism's processes and commitments at the sites of their structural and systemic unfolding In pursuing a research agenda that pushes beyond the narrow confines of racial

identity Tran reaches back to trusted modes of analysis that have been obscured by the prevailing antiracist orthodoxy and proposes reframing antiracism in terms of a theologically salient account of political economy
