**The Churchman** ,1879 **Proclamation and Praise** Ron Man, 2007-09-01 An important missing element in today s raging worship debates is a proper acknowledgment of the continuing ministry of the living Christ in mediating and leading our worship This is a crucial truth that transcends issues of style and form and thus provides a foundation for a unified and unifying understanding of worship in spite of the wide diversity of worship expressions that has always characterized the body of Christ The wonderful fact is that we are not left to worship God on our own strength Rather the grace of God which is so abundantly provided to us for our salvation and sanctification can be seen to be just as operational and effectual when it comes to our worship Our worship is acceptable and pleasing to God not because of any inherent excellence of its own but because we come in Christ and his righteousness into the Father s presence In Hebrews 2 12 we find an amazingly succinct yet powerful description of the two way mediating ministry of Christ he continues to be the agent of God s revelation to us and also serves as the leader and facilitator of our response back to God in worship Christ does not just open or show us the way into the Father s presence in worship he actively leads us takes us with him so that we might enjoy the same relationship of love and fellowship that he himself enjoys with the Father This transforming understanding opens up a wide range of complementary truths concerning the Trinitarian and Christological implications of worship with profound implications for our churches

[Study the Scriptures](#) Cushroo Bejon, 2019-05-16 In this book I consider and submit for consideration the evidence of archaeology antiquity manuscripts prophecy and personal experience Since the Bible is the true Word of God can we afford to ignore or neglect its message When Christ our Lord came to this earth He chose twelve ordinary working men rather than learned rabbis to teach them about Himself and His kingdom It is an underlying tenet that the Christian faith is revealed by God alone and no individual by the power of human reasoning or wisdom can arrive at the truth Man's wisdom by nature is at variance with God's wisdom and therefore man needs to come in humility to learn and to receive forgiveness that He offers to all who come to Him God has revealed to us in His Word all that we need to know and live by in order to be acceptable to our Sovereign God and to grow in our knowledge and understanding of Him Above all we need faith the enlightening Holy Spirit of God and the power of God's Word to change human lives and beliefs

**Messianic Revelation in the Old Testament** Gerard Van Groningen, 1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic

presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work
