The Last Great Hope:

Our Last Great Hope Dr. Ronnie Floyd, 2011-09-05 Every day we encounter scores of people headed to an eternity without God What will it take to wake us up to their desperate need for a Savior While the earth's time clock ticks away well meaning Christians go to church pay their tithes and pray for foreign missionaries going through the motions of Christian life as millions face an eternity without God If heaven is indeed for real and only those who have put their faith in Christ will be given entrance shouldn't we be making the most of every opportunity to share the Gospel the last great hope for all the world Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost He says God is calling us to an awakening regarding his most urgent command found in Matthew 28:19 to go and make disciples of all nations This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief Jesus Christ Our Last Great Hope will move us beyond casual and theoretical talk about the Great Commission and lead us into a Great Awakening This book could revolutionize the way we think Read it and be inspired changed and equipped Bruce Wilkinson best selling author of *The Prayer of Jabez* Floyd challenges us to engage the next generation a must read Greg Surratt lead pastor of Seacoast Church and author of *IR REV REND* This book inspires me to do extraordinary things through my most ordinary life Our Last Great Hope should be your first required read Leonard Sweet best selling author of *Jesus Manifesto* Our Last Great Hope pushes us beyond predictability and points us to a deep intimate knowledge of why we are here Ed Young Jr pastor of Fellowship Church and author of *Outrageous Contagious Joy* I'll be pulling this book off my shelf again and again Pete Wilson author of *Plan B* and *Empty Promises* This book is an energizing wake up call to today's churches Ed Stetzer director of LifeWay Research

The Last Best Hope Ronald Reagan, 2016 From the time he arrived on the political scene in 1964 throughout his presidency and beyond Ronald Reagan used his speeches to inspire and reinvigorate America When he spoke Reagan said he was preaching a sermon The American people saw his vision of America and his dreams for the future and they overwhelmingly responded he was re-elected in 1984 by the largest number of electoral votes in the nation's history Here in this collection of twenty-eight speeches spanning the Reagan era readers can find inspiration in Reagan's sermons From his first speech in the political arena in 1964 to his Last Letter to America informing Americans of his Alzheimer's disease Ronald Reagan's words show a profound belief in God freedom individualism limited government and his great love for his country In addition to an introduction by Reagan's son Michael Reagan each speech features an informative introduction which puts the speech into historical context making *The Last Best Hope* the perfect entrance into the influence of one of the major figures of the 20th century

Last Best Hope George Packer, 2021-06-15 One of The New York Times's 100 notable books of 2021 George Packer's account of America's decline into destructive tribalism is always illuminating and often dazzling William Galston The Washington Post Acclaimed National Book Award winning author George Packer diagnoses America's descent into a failed state and envisions a path toward overcoming our injustices paralyzes and divides In the year 2020 Americans suffered one rude blow after another to their health livelihoods and collective self esteem A ruthless pandemic an inept and malign government response polarizing protests and an election marred by conspiracy theories left many citizens in despair about their country and its democratic experiment With pitiless precision the year exposed the nation's underlying conditions discredited elites weakened institutions blatant inequalities and how difficult they are to remedy In Last Best Hope George Packer traces the shocks back to their sources He explores the four narratives that now dominate American life Free America which imagines a nation of separate individuals and serves the interests of corporations and the wealthy Smart America the world view of Silicon Valley and the professional elite Real America the white Christian nationalism of the heartland and Just America which sees citizens as members of identity groups that inflict or suffer oppression In lively and biting prose Packer shows that none of these narratives can sustain a democracy To point a more hopeful way forward he

looks for a common American identity and finds it in the passion for equality the hidden code that Americans of diverse persuasions have held for centuries Today we are challenged again to fight for equality and renew what Alexis de Tocqueville called the art of self government In its strong voice and trenchant analysis Last Best Hope is an essential contribution to the literature of national renewal
