The Correspondence of Erasmus Desiderius Erasmus,2020-07-09 In the months covered by this volume Erasmus experienced sharply deteriorating health and thoughts of approaching death although he remained active in the promotion of good causes and the defence of his good name The seemingly imminent threat of religious civil war in Germany affected Erasmus in two ways First he made up his mind to leave Germany and return to his native Brabant However the arrival in 1533 of a formal invitation from Queen Mary regent of the Netherlands coincided with the onset of chronic ill health that would last until the end of his life Repeated postponements eventually led to an abandonment of the journey altogether Second Erasmus did what he could to promote the cause of religious unity In On Mending the Peace of the Church he urged rulers to enact moderate reforms that would satisfy all parties and avoid confessional division When Martin Luther responded to this attempt at a middle path between truth and error in his Letter Concerning Erasmus of Rotterdam 1534 denouncing Erasmus as a skeptic and not a Christian Erasmus responded indignantly with his Purgation against the Slandorous Letter of Luther Erasmus only other work published in this period turned out to be one of his most popular On Preparing for Death

The Strad ,1905 **The Messiah of the Targums** Michael B. Shepherd,2023-11-30 This book explores how the ancient Aramaic translations of the Hebrew Bible known as Targums are in part designed to guide readers to see the messianism of the biblical text The interpreters who produced the Targums were careful readers of Scripture and were in many cases prompted by the finer details of the biblical text itself to produce their messianic renderings The Targums have been an important part of the history of messianic interpretation of the Hebrew Bible and they continue to have something to say to readers today
