PERSONAL NOTES:

- ★ This was created for my 6th grade classroom; however, I believe it could be successfully used with grades 7 - 12, with some appropriate modifications.
- ★ I believe which is why I started that students should be exposed to primary source documents as much as possible. I did this activity with my classes after I have taught them the basics of Article I and the Legislative Branch.
- ★ This activity can be challenging, depending on the age and abilities of your students. I usually have my students do this activity with a partner, or groups of three. I try to pair stronger students with students with lower reading levels.
- ★ I also turn it into a competition. Prizes can be whatever motivates your students. My students love extra credit, which I add on to their U.S. Government test.
