life in exile in the Babylonian Persian and Median realms He did so through strategic prevailing and sustained prayer and fasting Daniel 10 1 21 11 1 He battled in prayer and fasting until the satanic princes of Persia and Greece which were opposing God's purposes were overcome overturned and overthrown We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare In this age of atheism agnosticism humanism espionage robots sophisticated gadgets and the Internet there was never a time we needed intercession and spiritual warfare like now Life-Changing Thoughts on Fasting (vol. 1) Zacharias Tane Fomum, 1900 If you are feeling moved to fast this book will get you through Fasting is central to any work and to any move of God The missionary responsibility of blocking people from going to hell is carried out first of all in fasting Few have experienced extended fasts several times a year of from 48 hours per week and from 21 to 40 days duration with such results as Dr Fomum and believers in some of the churches in Cameroon writes Dr Lester Sumrall in his foreword to The Ministry of Fasting which is one of the best available books on the topic Life Changing Thoughts on Fasting Volume 1 by Z T Fomum contains inspiring and practical information that will melt all your suspicions about fasting It will open your eyes to see the centrality of fasting to see the necessity of fasting to see the benefits of fasting and to actually fast Prayer is a wonderful thing but fasting is something else Read on *The Complete Works of Zacharias Tane Fomum on Prayer (Volume 3)* Zacharias Tane Fomum, 1901 The Complete Works of Zacharias Tane Fomum on Prayer Volume 3 contains the following books 1 Life Changing Thoughts on Prayer Volume 2 2 The Ministry of Supplication 3 Moving God Through Prayer 4 Waiting on the Lord in Prayer 5 Prayer Crusades Volume 1 The life changing thoughts on prayer contained in this volume are like the pings that get the believer to detect the will and leading of God in various domains of prayer Each one of the thoughts is an entire topic to be pursued explored and developed to the fullest As you go through these thoughts you are travelling with the author along his journey around the world doing God's work of ministry while in the midst of prayer Supplication is handled from the glaring example of Hannah who having been barren for a long while desperately asked God for a baby as her prized treasure to be given back to Him In supplication the supplicant is so desperate that he will not rest and will not receive No from God for an answer This goes on till the point of breakthrough Those who make requests while keeping other options open are not supplicating With supplication there is one request no options and no plan B The reader will also learn how to move God through prayer There is no way anyone can move God through prayer if he does not know the perfect will of the Lord about what he is praying for It is those who know God's will and pray that will back to Him that moves Him through to answer and to do things in response to prayer God is not obliged to answer prayer that is not in tandem with His will The dynamics of waiting on the Lord in prayer are not the tools of a rapacious world that wants instantaneous answers to prayer One may have to abide in ceaseless prayer before the Lord about an issue for a year ten years or more and not give up until the day the Lord answers or gives assurance that He will surely answer This volume ends with the author's practical life of

prayer crusades praying with his people Prayer crusades range from 8 hours 10 hours or more of personal or group prayer daily for periods ranging from 21 days to 40 days and beyond In this final part of the volume the reader finds himself in the prayer crusades praying with the author and his people

prayer *Praying With Power* Zacharias Tanee Fomum, 2015-02-19 Lord teach us how to pray With these well known words the disciples acknowledged there was much to learn from the master about prayer and praying As a keen student of these subjects who has sat long at the master's feet Professor Fomum has learned and practiced much Even today the master is able to teach us through this faithful disciple who has searched deep and wide within the pages of scripture As a scientist the author puts the Lord Jesus's prayer life under a microscope and draws certain quantifiable guidelines This Textbook on praying is replete with charts and diagrams Professor Fomum draws on Jesus prayer life and teaching on prayer to help enrich the prayer of today's disciples The original title of this book is self explanatory With Christ in the School And Ministry of Prayer However the current title brings out the results of applying what we learn from the Master's School of prayer Professor Fomum invites us to enrol with him a lifelong learner in the Lord's School of praying To enroll in the Master's programme on praying all you need to do is read and apply what you learn from this extraordinary book *Practical Spiritual Warfare Through Prayer* Zacharias Tanee Fomum, 2015-02-20 In this handbook Professor Fomum demonstrates in very powerful terms the determinant role of prayer in spiritual warfare The burden he is labouring to discharge is to bring every believer to develop an ever increasing life of prayer with the aim of destroying the devil's plans and purposes Throughout his message it emerges that to wage spiritual warfare you must 1 Identify your enemy 2 Build a hedge of protection around you and around everything that belongs to you That should be in addition to the hedge already built by God 3 For more range in combat you've got to draft in a great number of people of quality 4 You and them have got to be united for the same purpose 5 Do not omit the role of angels in combat 6 Finally know that whoever engages in combat must persevere until the end Don't ever give up till victory This book is a very practical and precious work meant to lead you to realise as a believer that you must pray or perish Read it now and act *The Art of Worship* Zacharias Tanee Fomum, 2016-08-12 This book is a presentation of what worship is and what the true worshipper is To worship is to prostrate before the Holy Presence of the Almighty sometimes without saying a word To worship is to lift the Lord to great heights Drawing lessons from his personal experience as a worshipper the author says that no one can worship the Lord God and the god self at the same time Those with one or more idols in their hearts cannot worship the Lord The true worshipper worships God in Spirit and in truth Worship is the activity of people sanctified consecrated and filled with the Holy Spirit Only those who know and love the Lord can worship Him After reading this book we can dare to say that a life of obedience to the will of God and a life lived in His presence qualifies a person to worship God Would you like to know what it means to worship and become a true worshiper Then read this book **Life-Changing Thoughts on Prayer (Volume 4)** Zacharias Tanee Fomum, 1901 A compassionate thought provoking call to pray In this book the author Z T Fomum shares Revolutionary Thoughts on Prayer received when praying alone leading others in prayer and teaching on prayer This 4th volume will challenge amaze and inspire you to pray You will find thoughts spanning topics such as Prayer and leadership prayerlessness
