I hope that his book will be a gentle hiding place where you can go to get away from something, return to something, or go where you have never been. Some of these stories are true; others are factually true although bit embellished; others are outright fabrications. Most look back to a kinder, mellower time. Digging for worms, swimming in a pond, using an outhouse, or wading in a river may bring gross evaluations from our urbanized cousins. I hope that this book introduces them to life with a smile.
