The mothman prophecies Richard Gere, Laura Linney, 2007 **Summary of John A. Keel's The Mothman Prophecies** Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 1967 a stranger appeared in the back hills of West Virginia He was dressed entirely in black and he wore a black suit black tie black hat and black overcoat His face was barely visible in the darkness and his voice lacked the typical West Virginia accent 2 Being a nonconformist is not easy these days I grew my beard in 1966 while loafing on the farm of my friend zoologist Ivan T Sanderson I kept it until 1968 when hair became popular and half the young men in America began burying their identities in a great sea of facial hair 3 The fact that many seemingly straight forward accounts of monster sightings and UFO landings can be explained by irritatingly complex medical and psychological theories should not discount them The theories may seem more unbelievable than the original events but they are still worth considering 4 The house in New York s Greenwich Village is haunted by a strange ghost Some people can move objects with the power of their minds alone and some can see radiations and objects invisible to the rest of us **Mothman** Donnie Sergeant, Jeff Wamsley, 2002 On the night of November 15 1996 two adventurous young couples drove into the TNT area north of Point Pleasant WV What

they saw in the countryside that night has evolved into one of the great mysteries of all time just who or what was the Mothman This book will answer many questions regarding just what those couples saw outside the abandoned North Power Plant that night Culled from a variety of sources the materials presented inside are not conjecture the authors are careful not to cross the line between fact and fiction leaving any decisions regarding the truth behind the Mothman legend solely up to the reader The text features eyewitness accounts newspaper clippings and previously unpublished information It is sure to be of interest to readers as a tie in with the January 2002 release of Sony Pictures The Mothman Prophecies starring Richard Gere

The Mothman Prophecies Anti-Freeze, 2016
