The Mussel Feast Birgit Vanderbeke, 2013-03-01 The modern German classic that has shaped an entire generation A mother and her two teenage children sit at the dinner table In the middle stands a large pot of cooked mussels Why has the father not returned home As the evening wears on we glimpse the issues that are tearing this family apart I wrote this book in August 1989 just before the Fall of the Berlin Wall I wanted to understand how revolutions start It seemed logical to use the figure of a tyrannical father and turn the story into a German family saga Birgit Vanderbeke Why Peirene chose to publish this book I love this monologue It s the first Peirene book which made me laugh out loud with tears in my eyes The author lays bare the contradictory logic of an inflexible mind This is a poignant yet hilarious narrative with a brilliant ending Meike Ziervogel We are playing catch up here with something of a contemporary European classic David Mills Sunday Times The novella brilliantly renders both the power of the revolutionary moment and the uncertainty of the future it unleashes Jane Yager Times Literary Supplement This is one of those books that doesn t tell us what to think but sets us off thinking Who writes this kind of nuanced work in Britain Nicholas Lezard Guardian Sinister funny and heartening this taut novella reflects within the microcosm of the family the dissolution of the East German state with an insight economy and controlled fury that have made it a modern German classic Chris Schuler Independent There is a political edge to Vanderbeke s provocative examination of patriarchal violence and part of the power of this darkly comic tale is how well it succeeds as an allegory for political tyranny Lucy Popescu Independent on Sunday Astute darkly funny provocative often uncomfortable in its devastating depiction of patriarchal oppression but ultimately uplifting Pam Norfolk Lancashire Evening Post An extraordinary book the story unspooled with masterful restraint and written with simplicity and precision Francesca Segal Standpoint SHORTLISTED FOR THE INDEPENDENT FOREIGN FICTION PRIZE 2014 WINNER OF THE SCHLEGEL TIECK PRIZE FOR GERMAN TRANSLATION 2014 FOYLES BOOKS OF THE YEAR 2013

Under the Tripoli Sky Kamal Ben Hamada, 2014-09-24 A fascinating portrait of a pre Gaddafi society on the verge of change Tripoli in the 1960s A sweltering segregated society Hadachinou is a lonely boy His mother shares secrets with her best friend Jamila while his father prays at the mosque Sneaking through the sun drenched streets of Tripoli he listens to the whispered stories of the women He turns into an invisible witness to their repressed desires while becoming aware of his own Why Peirene chose to publish this book This is a fascinating portrait of a closed society On the surface this quiet vignette of a story could be read as gently nostalgic but underneath the author reveals the seething tensions of a traditional city coming to terms with our modern world The book gives us privileged access to a place where men and women live apart and have never learned to respect each other Meike Ziervogel The reader feels he is peeking through a half drawn curtain on a secret feminine world in a patriarchal society Excellent David Mills Sunday Times Beautifully simple and restrained prose Lucy Popescu Huffington Post It ought to be commended for its lack of sentimentality about this much mythologized chapter of modern Libya Hasham Matar Times Literary Supplement A short but shimmering read Malcolm Forbes National
