The Mythology Class A Graphic Novel:

The Mythology Class Arnold Arre, 2014 **Journey to Lupan-On** Arnold Arre, 2023-08-01 The third installment in the best selling series that kicked off with *The Mythology Class* which Publishers Weekly called a must read and a genre defining classic of Filipino comics. It's open season on the *Mythology Class* as an army of the undead hunts them down. The next chapter in the *Mythology Class* saga, this pulse pounding epic plays out in the porous border between worlds. The *Mythology Class* has been placed in desperate situations before but a new influx of evil must be driven back. Will the former classmates return to their former glory and summon the strength that once united their team? The *Mythology Class* friends thought they were safe from the Dark Anitos but now the evil Budniaan has arrived in their world with his army of zombie warriors and demented engkantos demons and their lives are once again at stake. With Rey and Misha on the other side of the globe and the group at odds over what to do, the one course they can all agree on is the inevitable one: reunite and combine their strengths to thwart Budniaan's threat. Revisiting a scene of their past triumphs, the group uncovers an ancient artifact. Will it lead them to the safety of the Skyworld, the spirit realm? Will this group of intrepid adventurers be able to summon the spirit of resistance that once defined them? As the most powerfully evil force they've ever faced reaches their borders, they're not really given a choice. This book can stand on its own though it is part of an ongoing series. A recap at the beginning helps refresh the memories of readers and for those new to the series provides the background of the story. Praise for the *Mythology Class* series by Arnold Arre. In this genre defining classic of Filipino comics from Arre Halina Filipina released in 1999 to become the first graphic novel to win the Philippine National Book Award and now in its first U.S. edition, this exciting and satisfying adventure firmly rooted in Filipino culture is a must read for its influence. Publishers Weekly. A modern Filipino literary classic. Leinil Francis Yu, *Marvel Avengers* Artist. This is one of those books that helped shape a nation's graphic novels and should be read with that in mind. *hellip* *The Mythology Class* a compilation of four shorter books that form a complete story is a quirky work about the past, present and future all blending together as a group of wizards and heroes travel forward through time to combat a series of problems in each age they visit. While readable by teens, this one may attract adult readers more and at least the bulk of the characters are probably in their 20s. It's been two decades since the former classmates first met and the ensuing years have brought their share of changes. Kubin's strength is weakening with each passing day. Lane's telepathy is gone. Rey and Misha are nowhere to be found and the bonds that once held them together are slowly crumbling under their misfortune. Thrown into the mix is Nicole and Kubin's daughter Marilag who has grown distant from her. To add to the problems, doubts about Enkanta's true purpose are mounting. Nicole, once the heart of the group, now senses a dark spell settling over them. Her young daughter included. What the former classmates don't realize is that a new band of visitors is

about to arrive from a magical realm Will these visitors provide a portal to an enchanting new world or usher in a new age of evil And will the classmates still be up to the challenge Praise for the Mythology Class series by Arnold Arre In this genre defining classic of Filipino comics from Arre Halina Filipina released in 1999 to become the first graphic novel to win the Philippine National Book Award and now in its first U S edition this exciting and satisfying adventure firmly rooted in Filipino culture is a must read for its influence Publishers Weekly A modern Filipino literary classic Leinil Francis Yu Marvel Avengers Artist This is one of those books that helped shape a nation s graphic novels and should be read with that in mind The Mythology Class a compilation of four shorter books that form a complete story is a quirky work about the past present and future all blending together as a group of wizards and heroes travel forward through time to combat a series of problems in each age they visit While readable by teens this one may attract adult readers more and at least the bulk of the characters are probably in their 20s ICv2 com *Mythology Class* Arnold Arre,2022-08-09 Immerse yourself in a high stakes fantasy adventure set in the Philippines This Philippine National Book Award winning graphic novel fuses Philippine myth and magic with contemporary action Borrowing elements from The Lord of the Rings and The Phantom Tollbooth author and creator Arnold Arre reinvents age old Filipino fables constructing a rich world of folklore fantasy for a new generation Perfect for fans of the Trese graphic novels and the manga of Junji Ito The Mythology Class follows Nicole Lacson an Anthropology student at the University of the Philippines When she is summoned to a secret meeting by the mysterious Madame Enkanta Nicole finds herself face to face with living creatures from Philippine mythology and folklore that she never imagined existed in real life Tikblangs kapres and a range of engkantos fantasy figures from her grandfather s bedtime stories challenge her previous notions of reality With her newfound friends Nicole embarks on a quest into a realm of myth and magic Navigating the streets of metropolitan Manila a ragtag crew of college students takes an unexpected turn in their battle against an ancient evil With guest appearances from mythological Filipino heroes like Sulayman Kubin and Lam ang Nicole s class must face down and repel an invasion of chaotic forces recapturing the enkantos who have escaped and are unleashing mischief and evil in the human world The Mythology Class features world building of the highest order balancing the scope and magnitude of an adventure epic with the humor warmth and insight of a classic coming of age tale **Asian Comics** John A.
