The New Topping Book Dossie Easton, Janet W. Hardy, 2011-11-07 Two decades ago this book and its companion volume *The New Bottoming Book* began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming not just how to but why to the insider details of emotional support and ethical interaction during kinky play Since then the growing popularity of BDSM and the blossoming of the Internet as a source of information and connection have created a whole new universe of possibilities for players Now the completely updated revised *New Topping Book* gives even more insights and ideas updated for a new millennium about how to be a successful popular player Easton and Hardy tackle the Top and bring that elusive critter down neatly and with a certain flair This is good stuff important stuff an excellent guide to topping both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization Laura Antoniou Sandmutopian Guardian **Finding Leather in a Vanilla World** Shannon Reilly,

Failing Desire Karmen MacKendrick, 2017-12-04 Draws on theology and queer theory to argue for the power of humiliating pleasures in a culture oriented very strongly to denying any enjoyment that is not about success Luckily for human diversity we are perfectly capable of desiring impossible things *Failing Desire* explores a particular set of these impossibilities those connected to humiliation These include the failure of autonomy in submission of inward privacy in confession of visual modesty in exhibition and of dignity in playing various roles Historically those who find pleasure in these failures range from ancient Cynics through early Christian monks to those now drawn by queer or perverse eroticism As Judith Halberstam pointed out in *The Queer Art of Failure* failure can actually be a mode of resistance to demands for what a culture defines as success Karmen MacKendrick draws on this interest in queer refusals To value desire or seek humiliation undercuts any striving for success but it draws our attention particularly to the failures of knowledge as a form of power whether that knowledge is of one body or of a population How can we understand will that seeks not to govern itself psychology that constructs inwardness by telling all blushing shame that delights in exposure or dignity that refuses its lofty position *Failing Desire* suggests that the power of these desires and pleasures comes out of the very realization that this

question can never quite be answered In *Failing Desire* Karmen MacKendrick offers her readers something akin to a sequel to *Counterpleasures* Pursuing the negative affects of failure humiliation and shame across authors that inform much of her work Bataille Blanchot Augustine Foucault Kristeva and Laure MacKendrick effortlessly and breathlessly provides us with provocative new insights about the limitations of language the pleasures of submission and obedience and the wily unruliness of the flesh For her devotees the evocative prose and suggestive analysis will seem familiar without being stale or repetitious for novices her style and acumen will seem assured and electrifying MacKendrick breathes new life into authors texts and topics that have been at the forefront of critical engagements with embodiment desire and affect for the past several decades

Kent L Brintnall author of *Ecce Homo The Male Body in Pain as Redemptive Figure* **Hegemony and Heteronormativity**

María do Mar Castro Varela, 2016-04-22 This book reflects on the political in queer theory and politics by revisiting two of its key categories hegemony and heteronormativity It explores the specific insights offered by these categories and the ways in which they augment the analysis of power and domination from a queer perspective whilst also examining the possibilities for political analysis and strategy building provided by theories of hegemony and heteronormativity Moreover in addressing these issues the book strives to rethink the understanding of the term queer so as to avoid narrowing queer politics to a critique of normative heterosexuality and the rigid gender binary By looking at the interplay between hegemony and heteronormativity this ground breaking volume presents new possibilities of reconceptualizing the political from a queer perspective Investigating the effects of queer politics not only on subjectivities and intimate personal relations but also on institutions socio cultural processes and global politics this book will be of interest to those working in the fields of critical theory gender and sexuality queer theory postcolonial studies and feminist political theory **The State of Sex**

Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 The *State of Sex* is a study of Nevada's brothels that situates the nation's only legal brothel industry in the political economy of contemporary tourism Nevada is part of the new American heartland as its pastimes people and politics have become more central to the nation The rise of a service and leisure economy over the past sixty years has propelled sexuality into the heart of contemporary markets Yet neoliberal laws in the United States promote business but limit sexual commerce How have Nevada's legal brothels survived while the rest of the country criminalizes prostitution How do brothels operate Who works in them This book brings social theory on globalizing economies politics leisure consumption and emotional labor in interactive service work together with research on contemporary prostitution and sexual commerce The authors employ an innovative multi method sociological approach combining historical analysis of how the brothels came to be with over a decade's worth of ethnographic research on the current state of the industry **Sexual Outsiders**

David M. Ortmann, Richard A. Spratt, 2012-11-15 This study draws on common sense humor anecdotes interviews history clinical case studies analyses of human behavior and basic ideas from psychology and philosophy to illustrate the real lives and experiences of men and women in BDSM communities **What**

You Really Really Want Jaclyn Friedman, 2011-10-25 Co editor of Yes Means Yes gives young women the tools to decipher the modern world's confusing hypersexualized sometimes dangerous landscape so they can define their own sexual identity. In this empowering accessible guide Jaclyn Friedman co editor of Yes Means Yes gives young women the tools to decipher the modern world's confusing hypersexualized sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture where we're failures if we don't act sexy but we're sluts if we actually pursue sex. We need to be protected from rapists lurking in bushes but deserve whatever we get if we have a drink at a party and wear a skirt and encourages readers to separate fear from fact, decode the damaging messages all around them and discover a healthy personal sexuality.

Families - Beyond the Nuclear Ideal Daniela Cutas, Sarah Chan, 2012-11-22 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. This book examines through a multi-disciplinary lens the possibilities offered by relationships and family forms that challenge the nuclear family ideal and some of the arguments that recommend or disqualify these as legitimate units in our societies. That children should be conceived naturally born to and raised by their two young heterosexual married to each other genetic parents that this relationship between parents is also the ideal relationship between romantic or sexual partners and that romance and sexual intimacy ought to be at the core of our closest personal relationships all these elements converge towards the ideal of the nuclear family. The authors consider a range of relationship and family structures that depart from this ideal: polyamory and polygamy, single and polyparenting, parenting by gay and lesbian couples as well as families created through assisted human reproduction.

With Sprinkles on Top Stefani Goerlich, 2023-10-10 Winner of the AASECT Sexuality Professionals Book Award for General Audience. A sex therapist's playful affirming and informative guide to exploring desire differences between kinky and nonkinky or vanilla partners. With Sprinkles on Top offers a positive and empowering resource for talking about and working through sexual differences particularly between kinky and vanilla partners. With more than 80 percent of adult couples in the US reporting desire discrepancies between partners and many people holding fantasies they don't feel comfortable sharing, With Sprinkles on Top offers much needed support. As Dr Stefani Goerlich makes clear, vanilla can be delicious and so can kink. Focusing on communication and connection, this guide helps you find the sprinkles that can enhance your relationship. With empathy and understanding, Dr Goerlich addresses hopes and fears on both sides of a desire divide and provides shame-free guidance for relationships of different shapes and orientations. Here you'll find helpful information about BDSM and kink: what it is, its effects on relationships, what a partner's interest might imply or not. Worksheets and questionnaires to help each partner explore their desires, what turns them on, when they might feel open to experimentation and how to talk about it. Setting boundaries, tips for feeling safe and drawing the line with care. Guidance for staying true to yourself, satisfying your partner and finding new delights together. Insights and guidance on what normal and kinky actually mean, bringing imagination into

the bedroom polyamorous possibilities and much more As Dr Goerlich writes The vanilla people that I work with tell me that they want relationships built on mutual love respect understanding gentleness and trust Funnily enough the kinky people I work with tell me the same thing just that they want the gentleness aspect to be negotiable With Sprinkles on Top affirms that vanilla and kinky people can thrive together and offers practical solutions for protecting preserving and strengthening your relationship

Eros and Touch from a Pagan Perspective Christine Hoff Kraemer, 2013-10-23 Within the past twenty years contemporary Pagan leaders progressive Christian and Goddess theologians advocates for queer and BDSM communities and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch Many assert that the erotic is a divinely transformative force both for personal development and for social change Although the erotic includes sexuality it is not limited to it access to connected nonsexual touch is as profound a need as that for sexual freedom and health In this book Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner Arguing that the erotic is a powerful moral force that can ground a system of ethics Kraemer integrates approaches from queer theology therapeutic bodywork and sexual minority advocacy into a contemporary Pagan religious framework Addressing itself to liberal religious people of many faiths Eros and Touch from a Pagan Perspective approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful consensual touch

The Modern Clinician's Guide to Working with LGBTQ+ Clients Margaret Nichols, 2020-10-19 The Modern Clinician's Guide to Working with LGBTQ Clients is a ground breaking resource for therapists working with LGBTQ clients whose identity expressions span all gender sex and relationship diverse groups Combining the author's extensive clinical experience with contemporary evidence based research the chapters of this book explore the origins and development of sexual minority groups going beyond lesbian women and gay men to include transgender and gender nonbinary people kink and polyamory bisexuality and pansexuality and those who identify as asexual or aromantic The text also offers in depth coverage of clinical work with transgender gender nonconforming and nonbinary clients of all ages With a wealth of therapeutic strategies and case studies this resource helps professionals respond to this Big Tent community in an informed and empathetic way Spanning sexuality gender relationships and age groups The Modern Clinician's Guide to Working with LGBTQ Clients is an invaluable reference for psychotherapists in a broad range of clinical settings

Suture KJ Cerankowski, 2021 Combining memoir lyrical essay and cultural criticism KJ Cerankowski's Suture Trauma and Trans Becoming stitches together an embodied history of trauma and its ongoing impacts on the lived realities of trans queer and other marginalized subjects Suture is a conjuration a patchwork knitting of ghost stories attending to the wound as its own archive It is a journey through many transitions of gender through illness and chronic pain from childhood to adulthood and back again of psyche and form in the wake of abuse and through the work of healing and of the self becoming in and through the ongoingness of settler colonial violence and its attendant subjugations of diverse forms of life

Refusing a traditional binary based gender transition narrative as well as dominant psychoanalytic narratives of trauma that center an individual process of symptom diagnosis and cure *Suture* explores the refractive nature of trauma's dispersed roots and lingering effects. If the wounds of trauma are disquiet apparitions repetitions within the cut these stories tend the seams through which the simultaneous loneliness of mourning and togetherness of queer intersubjective relations converge. Across these essays healing and indeed living is a state of perpetual becoming surviving and loving in the nonlinearities of trauma time body time and queer time.

Painful pleasures Christopher Vaccaro, 2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life. Saint's Lives and mystical treatises provide evidence of failed sadism and empowering masochism. Literary culture in the form of epics and courtly tales preserve stories of eroticised power. These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core.

Jungian and Interdisciplinary Interfaces Between Emotions Elizabeth Brodersen, Isabelle Meier, Valeria Céspedes Musso, 2025-04-09 C. G. Jung stressed that emotions are the driving forces behind social and psychological lives enabling individuals to connect with themselves and their environment. Divided into five parts this innovative volume explores the enmeshments between emotions. The material locates emotions within the context of nonverbal developmental somatic embodiment eco political and psychosocial engagement gender and LGBTQ. Shadow phenomenology history myth and the effects of war are likewise explored in depth. Each theme expertly stimulates a resurgence of Jungian and non Jungian clinical and academic interest in the role that emotions play in contemporary thought and in the impetus for eco socioeconomic change. This volume will be of great interest to Jungian analysts and trainees psychotherapists and interdisciplinary cultural theorists. It will aid scholars in Jungian academic studies and related fields interested in metaphor symbols gender and LGBTQ perspectives.

Kink-Affirming Practice Stefani Goerlich, 2022-08-08 *Kink Affirming Practice* is an essential guide on how clinicians can ethically and effectively integrate elements of their client's BDSM identities and practices into their treatment planning creative interventions and client self care. Embracing both an anthropological understanding of this diverse yet still marginalized community as well as a sex positive approach to mental health Stefani Goerlich recognizes the ways in which specific power exchange dynamics can evoke positive behavioral changes in clients and guides the reader in how to integrate these concepts into their clinical work. Chapters discuss the foundations of BDSM what is meant by kink affirming practice the purpose of claiming power and ceding control integrating and reclaiming identities dominant submissive personas and the benefits of caregiving kink such as pet play. It practically discusses how to conduct a kink affirming risk assessment as well as exploring topics like ethical and health boundary setting how to gain informed consent and the unique issues that arise when clinicians catch themselves romancing the kink. This book is invaluable reading for professionals working with clients who engage in BDSM activities such as marriage and family therapists sex therapists clinical social workers and counselors. It may also be useful reading for students on both

undergraduate and graduate level human sexuality and sexuality courses **From Sin to Amazing Grace** Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century Language and Sexuality Deborah Cameron, Don Kulick, 2003-03-06 This lively and accessible textbook provides a clear introduction to the relationship between language and sexuality **The Palgrave Handbook of Queer and Trans Feminisms in Contemporary Performance** Tiina Rosenberg, Sandra D'Urso, Anna Renée Winget, 2021-09-21 The purpose of this Handbook is to provide students with an overview of key developments in queer and trans feminist theories and their significance to the field of contemporary performance studies It presents new insights highlighting the ways in which rigid or punishing notions of gender sexuality and race continue to flourish in systems of knowledge faith and power which are relevant to a new generation of queer and trans feminist performers today The guiding question for the Handbook is How do queer and trans feminist theories enhance our understanding of developments in feminist performance today and will this discussion give rise to new ways of theorizing contemporary performance As such the volume will survey a new generation of performers and theorists as well as senior scholars who engage and redefine the limits of performance The chapters will demonstrate how intersectional queer and trans feminist theoretical tools support new analyses of performance with a global focus The primary audience will be students of theatre performance studies as well as queer gender studies The volume's contents suggest close links between the formation of queer feminist identities alongside recent key political developments with transnational resonances Furthermore the emergence of new queer and trans feminist epistemologies prompts a reorientation regarding performance and identities in a 21st century context *Same-Sex Cultures and Sexualities* Jennifer Robertson, 2008-04-15 This book demonstrates the centrality of sex gender and sexuality to theories of human behaviors and practices Moves beyond other lesbian and gay studies readers by presenting a broader view of the significance of studying same sex cultures and sexualities across cultures Offers readings from all four subfields of anthropology cultural biological linguistic and archaeological along with historical and applied anthropology Includes discussion of biotechnology and bioethics health and illness language ethnicity identity politics post colonialism kinship development and policymaking
