Miners, 2023-12-20 Originally published in 1971 this book is an account of the development of the Nigerian Army in the critical ten years spanning independence It describes the transformation of a despised colonial defence force into a Nigerian army with a popularly recognized reputation On the eve of the first military coup the Army stood at the pinnacle of popular esteem It had been modernized and expanded had served with distinction in the Congo and elsewhere and all its officers were Nigerian The first half of the book traces the stages of this transformation and reveals the difficulties which had to be overcome The second part examines the increasing tension and political manoeuvring which exploded into the military coups of 1966      *History of the Nigerian Army, 1863-1992* Nigerian Army Education Corps and School, 1992      *The Nigerian Military* Robin Luckham, 1971-09-30 An account of the Nigerian military coups of 1966 in which the author discusses both the events themselves and their sociological background      *The Nigerian Army, 1956-1966* Norman J. Miners, 1968      Hubris Akintunde A. Akinkunmi, 2018-02-19 The Nigerian Army is an institution that has played a pivotal role in the affairs of the Federal Republic of Nigeria For more than half of the 57 years since Independence Nigeria was directly ruled by a Military Government largely composed of army officers and always headed by one It is impossible to explore any facet of modern Nigerian history or society without the military and in particular the Army looming significantly Whilst several authors have documented the history of Nigeria and significantly less many of its Army rarely if ever has the impact of the politics of Nigeria on the Army and vice versa formed the exclusive subject of study This volume is an endeavor to fill that gap The period leading up to the Army's first overt entry into the politics of Nigeria is reviewed firstly the pre Independence period and then the years immediately following independence The effects of the Nigerianisation of the Army especially of the officer corps and of the policy decisions made following the passing of control over the Army from the British to the Nigerian Government are considered The political circumstances surrounding the Army's first overt entry into politics the January 1966 coup and the political performance of the subsequent first military regime are discussed as a precursor to the second coup in July 1966 The impact of the Army's direct involvement in politics on the military performance of both sides in the Civil War is explored After a nine year interregnum in July 1975 Nigeria returned to the era of coups with at least eight attempted and successful coups some of them bloody over the next quarter century before the return to civilian rule in 1999 The personalities leading the resultant military Governments and the policies of those Governments are explored in an attempt to discern their legacy on the political development of Nigeria and on the Nigerian Army as an institution      *The Nigerian Army, 1956-66* Norman Miners, 1971      **The History of Nigerian Army - The Missing Link** Oyewole Olusegun, 2012-02-19 The author provides the readers with insight into the history of Nigeria Army      **Nigerian Army Magazine** Nigeria. Ukpabi,1987      **The Federal Republic of Nigerian Army** Mohammed Chris Alli,2001 A former general in the Nigerian army defence attache to Zimbabwe and member of the Abacha caucus chronicles the role played by the army in Nigerian history from the first military coup in 1966 to Obasanjo s accession to power in 1998 He describes his own experiences in the army at home and abroad including a section on his personal interactions with Abacha and the caucus The author writes in anger at the domination of political hegemony and the subsequent intervention of the military into politics the perceived dichotomy between people and state and its implications for issues of development and human rights He states This book is not an indictment of the military of which I am a part It is my perception of the conduct of my generation and the multifarious forces at work amongst and about them It is not a verdict on society rather it is an articulation of the ecstasy the fears the constrictions of a nation in turmoil a nation pulling itself apart      *The Nigerian Army in Crisis and Emergency Management in a Democratic Polity* Olufemi Bolarin,2005
