and human worlds all beautifully complemented by illustrations that enhance the reading experience and contextualize Kipling's intricate tales. Rudyard Kipling, a luminary of late Victorian literature, drew heavily from his own experiences growing up in India and witnessing the sociopolitical dynamics of British colonialism. His background as a journalist and his travels across the globe deeply influenced his storytelling, imbuing his works with authenticity and historical context. Kipling's ability to weave moral lessons within entertaining narratives marks his contributions to both children's literature and serious fiction, earning him the Nobel Prize in Literature in 1907. This anthology is an essential read for literature enthusiasts and historians alike, offering profound insights into the human condition while reflecting the values and challenges of its time. Readers seeking to explore themes of identity, civilization, and the visceral narratives of colonial life will find Kipling's work both illuminating and provocative.

The Guardians of the Covenant Tom Egeland, 2008-12-06 In the year 1013, Viking warriors raided an Egyptian tomb and unknowingly stole the greatest secret of the Old Testament. When a quirky archaeologist finds ancient Viking parchments containing runes and riddles, his mundane life is changed for good. These codes lead him on a quest for clues in mysterious places, from Egyptian tombs to antiquarian bookshops. Powerful forces are against him, but he manages to unveil a religious cover-up with potentially fatal consequences.

The Old Man's Revenge Joseph Schwarz, 2005-05 The Old Man's Revenge takes place in a university art department in the South. The principals are four painters coping with their artistic legitimacy and their personal and professional lives. The department is in crisis as the long-time founder and head is retiring. There ensues, as often happens in academe, a political struggle for leadership with an unexpected culmination. The four painters too find deserved resolution in their work and in their personal lives.

Where I Slept Libby Angel, 2023-05-30 When he asks what kind of work I do, I tell him I am a poet. Poetry will break your heart, he says. Or perhaps it is the only thing that won't. I say Where I Slept is the story of a young woman's devastating and inspirational search for a life of artistic integrity. Leaving a seedy boarding house in a provincial town in the 1990s, she travels to Melbourne to explore all the possibilities of the city. She lives in bohemian share houses with painters, activists, addicts, and petty criminals; on the couches of friends and not so accommodating acquaintances; and for a time in the streets, parks, and railway stations of a city both richly gratifying and callously indifferent. Libby Angel's work of autofiction is an unforgettable portrait of a life on the fringes, peppered with dark humour and moments of elation, a poem of longing and desire. Libby Angel is an Australian poet and novelist. She won the 2018 Barbara Jefferis Award for her debut novel *The Trapeze Act*. Her poetry has appeared in a number of Australian journals. *Where I Slept*, a work of autofiction, is her second novel.
