The Picture of Dorian Gray touches on many of Wilde's recurring themes such as the nature and spirit of art, aestheticism and the dangers inherent to it. Illustrated by Elena Odarich. **Firstborns** Sir Charles Davis, 2019-04-23. When Captain Malcolm Kin, captain of the West Army, received orders from the master at arms to eliminate a people called the Firstborns who were deemed enemies to their way of life by the Ten Heads of State, he immediately began to ask questions about killing unarmed people. That is genocide, he whispered. The master at arms promptly reminded him of his duty as a captain in the army. Captain Kin reluctantly accepted his orders. But unknown to him, those orders will take him on a journey to learn the truth about the Ten Heads of State as well as himself. Book of Praise. Onagan, 2023-02-09. Set in the 1980s near Yakutat, Alaska, *Hunter's Paradise: The Homecoming* is the story of the Bootans, owners of a sixty thousand acre outfitter and ranch. Paradise is a land of splendor with virgin forests, lakes and streams filled with the abundance of wildlife. The head of the family is the tough and hardened but godly man, former Marine Master Gunnery Sergeant John Bootan. He and his business partner Dan Lupa are professional hunting guides. They book fly in clients from the United States and other countries for Alaskan big game hunting and fishing. John's outfitter team includes four nephews, their wives, a niece, and hired help. Whether their story takes you to the war scenes of World War II, Korea, and Vietnam, the dangers of big game hunting, or the lost romances of their past, their courage and spirit exemplify the heart of a true American Christian family. In *The Homecoming*, a thirteen-year tribulation continues involving John's oldest nephew, Brandon, an emotionally torn veteran who lost his most precious possessions before his Vietnam trauma. His faith in God, his wife to be, Marcy Lamore, and his dignity as a man. In a desperate search for a meaning and purpose in life, he is fostered by the sage wisdom of his Uncle John and the devoted love of his younger brother, Bud. However, Bud's recent marriage to Elaine Petry is a threat to Brandon, fearing that she has taken Bud away from him. In their homecoming to Paradise, a clash between husband and wife, between brother and brother, and between sister-in-law and brother-in-law unfolds. To save his family from destruction, Brandon seeks refuge at Little Splendor land, also owned by the Bootans. Months later, after leaving Paradise, Brandon learns of a hunting disaster involving Bud and quickly joins his family for a search and rescue. It becomes a long journey back home for the Bootans as they struggle with the natural elements, their fellow man, and ultimately with themselves. **Cobbett's Parliamentary History of England** William Cobbett, 1809. **Songs of Grace and Glory ... Hymnal treasures of the Church of Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand** Charles Busbridge SNEPP, 1872. *The Cossacks* Leo Tolstoy, 1994-05-10. A brilliant short novel inspired by Leo Tolstoy's experience as a soldier in the Caucasus. *The Cossacks* has all the energy and poetry of youth while also foreshadowing the great themes of Tolstoy's later

years His naive hero Olenin is a young nobleman who is disenchanted with his privileged and superficial existence in Moscow and hopes to find a simpler life in a Cossack village As Olenin foolishly involves himself in their violent clashes with neighboring Chechen tribesmen and falls in love with a local girl Tolstoy gives us a wider view than Olenin himself ever possesses of the brutal realities of the Cossack way of life and the wild untamed beauty of the rugged landscape This novel of love adventure and male rivalry on the Russian frontier completed in 1862 when the author was in his early thirties has always surprised readers who know Tolstoy best through the vast panoramic fictions of his middle years Unlike those works The Cossacks is lean and supple economical in design and execution But Tolstoy could never touch a subject without imbuing it with his magnificent many sidedness and so this book bears witness to his brilliant historical imagination his passionately alive spiritual awareness and his instinctive feeling for every level of human and natural life Translated by Louise and Aylmer Maude *The Poetical Works of Walter Scott, Etc* Sir Walter Scott, 1831 **The Garden Magazine**, 1907 The Healing Tradition of the New Testament

Douglas Ellory Pett, 2015-10-29 Over the last twenty years there has been a great surge of interest in the healing ministry yet this ferment of activity seems not to have been matched by an equally fresh or energetic study of healing in the New Testament which ostensibly forms the basis and is still claimed as supplying the inspiration for the revival of this ministry This work is the first serious critical study of healing in the New Testament as a discrete subject Its purpose is to arrive at a clearer understanding of what Scripture actually tells us about healing not what we imagine it says or hope that it might say not what we may have been led to believe it says nor indeed what we have sometimes been taught that it says but what the sacred authors actually wrote and more to the point what they meant by what they wrote

Breaking Legacies Zoe Reed, Z.R. Reed, In a land impoverished by a war that started before she was born Kiena has provided for her mother and brother by becoming one of the best hunters in the kingdom But when a lifelong friend with connections recommends her to the king to track down a runaway princess her life gets turned upside down Finding the princess is easy Deciding what to do in a conflicting mess of politics and emotions not so much **The Gospel** Jongwoo Han, 2016-07-15 This book merges and harmonizes the four Gospels of Matthew Mark Luke and John into one This unified version which I call The Gospel is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry I consolidated these sources by identifying common denominators among them as well as parts that are unique to each and then interweaving it all into a single narrative using only original texts This integrated version may offer greater incentive to our youth laymen and non believers as well as professionals to read and learn more about what Jesus did and taught Acts 1:1 In the past there have been many attempts to make the four Gospels easier for readers often displaying similar episodes in parallel columns in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another however in regard to the text itself previous books do not rise to the level of precision and completeness that is achieved here Answering this need for a clear chronological telling of The Story of

Jesus this book unifies every account of the four Gospels into a single story without omitting or compromising any part On a given topic in Jesus ministry this book uses as its base whichever gospel is the greatest common denominator consolidates identical or similar parts from other Gospels and integrates the unique and different elements of each book into a single story
