Indian Popular Fiction Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validates the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous commercial success It uncovers popular in its socio political and cultural contexts Furthermore it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic reader driven genres is taken up here along with the millennial's fetish for romance humanized mythical retellings and the evergreen whodunnits As its natural soulmates the anthology delves into the interstices of Indian

The Story of Dharma and Adharma Mahabharata, Part 1 Rishi Nanda, Mehak Mahajan Nanda,2025-01-18 As the saying goes there are three sides to every story Your Truth My Truth and The Real Truth In Sanatan Dharma there are millions of books and story tellers so whichever book or story a person has read heard or seen it becomes that person s truth The key point to note is that there are usually multiple stories explaining the same fact occasion or festival So each version is right in its own merit This is a result of the natural evolution the stories might have gone through the process of being handed over from generation to generation for centuries Many concepts and secrets are hidden in these stories and we are going to explore such secretive learnings and evolve on how to lead life personally and professionally In our book we have not only shared the story of Mahabharata but after every chapter we have shared the learnings from that chapter and trivia of many characters We have strived to make it the best resource on Mahabharata available to you Mahabharata is an Itihasa which means thus it happened Mahabharata was written by the great author Maharishi Ved Vyasa Mahabharata is not only about a war between two branches of a family or a tale of good versus evil but it s a profound exploration of human nature choices and consequences Every character embodies a mix of virtues and flaws blurring the line between Dharma and Adharma In this epic everyone is both right and wrong in their own way While Adharma has seemingly triumphed the question remains will the Pandavas reclaim their kingdom or does Mama Shakuni still have one last ace up his sleeve
