Solution Manual Managerial Accounting By Hartgraves:

Management Accounting Wayne J. Morse, James Richard Davis, Al L. Hartgraves, 2003 Taking a much more strategic approach the focus of this book is on the full range of cost drivers within the value chain rather than on just the distinctions between product non product costs and unit variable fixed costs Specially designed for managerial accountants this updated edition thoroughly integrates issues that have emerged during the past ten years By taking a value chain approach and stressing management accounting as an employee and management empowerment tool the content is relevant interesting and usable for those whose primary concerns are something more than financial reporting
