

A photograph of a large cable-stayed bridge, likely the Durgam Cheruvu Bridge in Hyderabad, India. The bridge features two tall, dark, A-frame pylons with numerous white cables fanning out to support the bridge deck. The bridge spans a body of water, and the sun is setting behind it, creating a warm, orange and yellow glow in the sky and reflecting on the water. The sky transitions from a pale blue at the top to a soft orange near the horizon.
