Voice-Overs Daniel Balderston, Marcy E. Schwartz, 2012-02-01 In *Voice Overs* an impressive collection of writers translators and critics of Latin American literature address the challenges and triumphs of translation in the publishing industry in teaching and in the writing culture of the Americas Through personal anecdotes as well as critical analyses they engage important ongoing debates over issues of language exile cultural identity and literary markets Institutions and personalities in Latin American literary translation are highlighted to examine the genre's cultural politics and transnational impact Biblical Repertory ,1828 Confessions Augustine, 2017-06-06 One of the great works of Western literature from perhaps the most important thinker of Christian antiquity in a revolutionary new translation by one of today's leading classicists Sarah Ruden's fresh dynamic translation of *Confessions* brings us closer to Augustine's intent than any previous version It puts a glaring spotlight on the life of one individual to show how all lives have meaning that is universal and eternal In this intensely personal narrative Augustine tells the story of his sinful youth and his conversion to Christianity He describes his ascent from a humble farm in North Africa to a prestigious post in the Roman Imperial capital of Milan his struggle against his own overpowering sexuality his renunciation of secular ambition and marriage and the recovery of the faith his mother had taught him during his earliest years Augustine's concerns are often strikingly contemporary and the confessional mode he invented can be seen everywhere in writing today Grounded in her command of Latin as it was written and spoken in the ancient world Sarah Ruden's translation is a bold departure from its predecessors and the most historically accurate translation ever Stylistically beautiful with no concessions made to suit later theology and ritual Ruden's rendition will give readers a startling and illuminating new perspective on one of the central texts of Christianity Praise for *Confessions* Ruden has clearly thought deeply about what Augustine was trying to say *The Wall Street Journal* A translation of Augustine's masterwork that does justice both to him and to his God Repeated small acts of attention to the humble human roots of Augustine's imagery of his relations to God enable Ruden to convey a living sense of the Being before Whom we find him transfixed in prayer Silent long suffering and with so much mercy in your heart *The New York Review of Books* Delightfully readable In this lively translation filled with vivid personal prose Ruden introduces readers to a saint whom many will realize they only thought they knew Approaching her subject with deep religious and historical knowledge Ruden chooses to translate Augustine as a performative engaging storyteller rather than a systematic theologian *Publishers Weekly* starred review Ruden's translation makes Augustine's ancient text accessible to a new generation of readers with a real taste of the original Latin *Library Journal* Ruden's record as a translator of ancient texts clearly establishes her considerable talent *Christianity Today* **Biblical Criticism on the First Fourteen Historical Books of the Old Testament; Also on the First Nine Prophetical Books.
