Sword of the Sea Game Guide Abellona D Hansen,2025-08-21 Welcome to the Sword of the Sea Trophy Guide Sword of the Sea is the newest game from Giant Squid who previously developed Abz and The Pathless Similar to The Pathless Sword of the Sea focus on fast fluid movement throughout the game world but in a similar manner to snowboarding games that allow performing tricks around the environment while progressing through the story Trophy wise the game requires finding all collectibles a 2 hour speedrun and playing through New Game Get all Collectibles first then do the 2 hour NG speedrun The game can be finished in 1 1 5 hours so the 2 hour requirement is quite lenient Sword of the Sea has 163 collectibles that are required for trophies achievements Each collectible type has its own cumulative trophy or individual trophy for rideable animals and frogs None of the collectibles are missable and progress saves between playthroughs You can collect any missed collectibles in New Game or Chapter Select after your first playthrough with the exception of Water Points Water Points have a gameplay aspect in each level and are reset each time you play through a chapter so if you don t earn the trophy for fully restoring water to a location during a chapter you need to collect all of them in that chapter again to earn the trophy achievement You can see your total number of secret shells collected in the pause menu but Chapter Select doesn t keep track of how many per level you have collected
