

Destiny came knocking at my doorstep
and to be honest
she was rather rude.

I lost my way
all the way to you
and in you
I found
all the way

to me.

Uncollected Lyric Poems Epigrams:

Uncollected Lyric Poems and Epigrams William Blake, Will Jonson, 2014-11-15 This edition contains all Blake's shorter poems which were not included in *Poetical Sketches* or *The Songs of Innocence and of Experience*. Most were found in his notebooks and papers after his death. Together they offer a fascinating insight into his radical views and his often scathing opinions about his contemporaries. All the poems from the famous Pickering manuscript and from the Rossetti manuscript are included.

Uncollected Poems of James Russell Lowell James Russell Lowell, 2017-01-30 This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.

The Uncollected Poems of Henry Timrod Henry Timrod, 2007-12-01 This edition of the uncollected poems of Timrod more than doubles the number of poems formerly collected. Together this book and the Memorial Edition present in competent texts all of his known poetry. The editor has included only poems signed with the poet's name or with his pseudonym unless special evidence was available. Such evidence for testing authenticity is given in footnotes.

Complete Poetry of Rudyard Kipling Rudyard Kipling, 2024-01-08 The Complete Poetry of Rudyard Kipling presents a comprehensive anthology encapsulating the depth and breadth of Kipling's poetic oeuvre. This collection meticulously showcases his signature use of rhythm and rhyme blended with rich imagery and vivid narrative. Spanning various themes: colonialism, empire, childhood, and the human condition, Kipling's poems reflect the complexities of British society as it grappled with its identity at the turn of the 20th century. His mastery of both lyrical and free verse invites readers into a world where personal experience intertwines with expansive historical contexts, thus revealing his multifaceted artistic vision. Rudyard Kipling, born in 1865 in India, grew up during the zenith of British colonialism, which profoundly influenced his literary perspective. His experiences as both a colonial subject and an observer of imperial power dynamics profoundly shaped his writing. Kipling's

artistry is marked by his ability to convey nuanced emotions and societal critiques often blending personal anecdotes with broader commentary thus providing a unique lens through which to explore the values and contradictions of his time This anthology is highly recommended for readers interested in the interplay between personal and political in poetry as it invites a deeper understanding of not just Kipling s literary legacy but also of the societal challenges he navigated Whether you are a seasoned scholar or a new reader Kipling s profound engagement with language and context contributes to the enduring relevance of his work The Poems of Ben Jonson Tom Cain,Ruth Connolly,2021-11-29 Ben Jonson who was with Shakespeare and Marlowe one of three principal playwrights of his age was also one of its most original and influential poets Known best for the country house poem To Penshurst and his moving elegy On my First Son his work inspired the whole generation of seventeenth century poets who declared themselves the Sons of Ben This edition brings his three major verse publications Epigrams 1616 The Forest 1616 and Underwood 1641 together with his large body of uncollected poems to create the largest collection of Jonson s verse that has been published It thus gives readers a comprehensive view of the wide range of his achievement from satirical epigrams through graceful lyrics to tender epitaphs Though he is often seen as the preeminent English poet of the plain style Jonson employed a wealth of topical and classical allusion and a compressed syntax which mean his poetry can require as much annotation for the modern reader as that of his friend John Donne This edition not only provides comprehensive explanation and contextualization aimed at student and non specialist readers alike but presents the poems in a modern spelling and punctuation that brings Jonson s poetry to life **The Uncollected Letters of Algernon Charles Swinburne** Terry L Meyers,2024-07-31 These three volumes of letters by Algernon Charles Swinburne add approximately 600 letters by this poet that were not available when Cecil Y Lang published his six volume edition of Swinburne s letters The volumes also contain a selection of several hundred other letters addressed to Swinburne *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Twayne's World Authors Series* ,1966
