The Academy of Management Review

Academy of Management,1986-07 **Bank Liquidity Creation and Financial Crises** Allen N. Berger,Christa Bouwman,2015-11-24 Bank Liquidity Creation and Financial Crises delivers a consistent logical presentation of bank liquidity

creation and addresses questions of research and policy interest that can be easily understood by readers with no advanced or specialized industry knowledge Authors Allen Berger and Christa Bouwman examine ways to measure bank liquidity creation how much liquidity banks create in different countries the effects of monetary policy including interest rate policy lender of last resort and quantitative easing the effects of capital the effects of regulatory interventions the effects of bailouts and much more They also analyze bank liquidity creation in the US over the past three decades during both normal times and financial crises Narrowing the gap between the academic world focused on theories and the practitioner world dedicated to solving real world problems this book is a helpful new tool for evaluating a bank s performance over time and comparing it to its peer group Explains that bank liquidity creation is a more comprehensive measure of a bank s output than traditional measures and can also be used to measure bank liquidity Describes how high levels of bank liquidity creation may cause or predict future financial crises Addresses questions of research and policy interest related to bank liquidity creation around the world and provides links to websites with data and other materials to address these questions Includes such hot button topics as the effects of monetary policy including interest rate policy lender of last resort and quantitative easing the effects of capital the effects of regulatory interventions and the effects of bailouts *Resources in Education* ,1994-12

Psychology, Eighth Edition in Modules David G. Myers,2007 This modular version of Myers s full length text Psychology reflects the author s research supported belief that many students learn better using a text comprised of brief modules as opposed standard length chapters Psychology Eighth Edition in Modules breaks down the 18 chapters of Psychology into 58 short modules retaining that acclaimed text s captivating writing superior pedagogy and wealth of references to recent cutting edge research The modular version has its own extensive media and supplements package with content organized to match its table of contents *Driving Justice, Equity, Diversity, and Inclusion* Kristina Kohl,2022-01-27 Navigating the volatility uncertainty complexity and ambiguity VUCA characterizing the business world in the 21st century requires a new paradigm focused on an integrated bottom line planet people and profit PPP Global trends include resource scarcity and growing inequities in income wealth education and healthcare Stakeholders are demanding that organizations address systemic barriers to promote justice and equity within organizations and across broader social systems Transformational change requires leadership to analyze internal and external systems through a social and environmental justice lens Despite a growing focus on justice equity diversity and inclusion the imbalance of power remains within our institutions organizations and social systems To move the needle leaders can turn to Driving Justice Equity Diversity and Inclusion which explains developing a North Star vision and creating a strategy to redesign organizational process and systems as well as leveraging tools for data driven decision making It presents a framework to build an inclusive organization as well as a model to engage and support senior and middle management beginning the process of capacity building and systemic change By layering in AI and other technologies to support data driven decision making the book guides leaders in

navigating their organization's journey along the maturity continuum to achieve their North Star vision of becoming a just and equitable organization. The book also helps managers to assess ecosystems and organizational systems that justice, equity, diversity, and inclusion impact. Take a deeper dive into transformational and operational components to gain insights on the deep systemic realignment of the North Star vision. Identify and engage with diverse stakeholders to gain perspective and understand issues crucial for transformative change. Leverage people-centered design to create a process promoting diversity of voices and to better align outcomes with shared organizational vision. Use data to drive decision making and reduce bias by removing intuition from the decision making process. Leverage the book's frameworks to drive collaborative systemic change. Adapt insights highlighted in multiple interviews with DEI practitioners. Benefit from lessons learned and best practices featured in the book's case studies. This book features a primer which is a quick reference guide to key terms, concepts, and definitions. It helps to define justice, equity, diversity, inclusion, and other key terms such as unconscious bias, stereotypes, and microaggressions. It also features a toolkit which includes checklists to help managers lead organizations to realize their own North Star vision.
