Understanding Scriptures Through Cross References:

Understanding Scriptures Through Cross References Kim Bellm-Palmer,2014-11-18 So many times over the course of my life I found myself being drawn to the prophecies in the bible As I watched the events of our time unfolding I felt an urgency to understand how these events were explained in the bible Every time I was drawn to the book of Revelation a book that I knew was trying to tell us what we would need to know in the times in which we currently live Then every time without fail I would not be able to understand what I was reading and every time I would find myself trying to follow the cross references given for the verses I was reading But that would just lead me to search out references of the references until I found myself surfing the bible and getting even more confused Then each time I would simply give up and stop searching Finally after the failed attempts of understanding what the scriptures were trying to tell me I started a project for myself that hopefully would help me stay on track of the answers I instinctively knew were there So for my own use I took the Book of Revelation apart verse by verse Then I found several suggested cross references from several translations Then I brought it all together with the cross references indented under the verse that was crossed Then as I read it I did not find myself bible surfing I found that the Book of Revelation was starting to make sense Then I found a translation of the bible that was unique from all the countless others It was translated by a man who understood Hebrew idioms He added emphasis marks to enhance as well as clarify the scriptures When I took that version and incorporated my format of cross referencing I found the scriptures opening right up in my mind It all was so clear that I could not imagine why I had been having so much trouble The bible came alive and actually made sense I became so excited that I just had to make this simple form available to others So here it is Now you can find the scriptures open up for you just as they did for me
