Double Helix History Jerome De Groot,2022-08-29 Double Helix History examines the interface between genetics and history in order to investigate the plausibility of new knowledge derived from scientific methods and to reflect upon what it might mean for the practice of history Since the mapping of the human genome in 2001 there has been an expansion in the use of genetic information for historical investigation Geneticists are confident that this has changed the way we know the past This book considers the practicalities and implications of this seemingly new way of understanding the human past using genetics It provides the first

sustained engagement with these so called genomic histories The book investigates the ways that genetic awareness and practice is seemingly changing historical practice and conceptualisation Linking six concepts Public Practice Ethics Politics Self and Imagination Double Helix History outlines the ways that genetic information being postgenomic the public life of DNA and the genetic historical imaginary work on the body on collective memory on the historical imagination on the ethics of historical investigation on the articulation of history and on the collection and interpretation of data regarding the past This book will appeal to researchers and students alike interested in DNA genetics and historiography **Angels, Aliens and Prophecy** Betsey Lewis, 2012-03-12 Reviews This book is amazing and I have been reading it non stop Betsey s knowledge and intellect of UFOs Aliens an the paranormal has quite simply floored me Anthony Sanchez Author of UFO Highway Conference Organizer of SACUFOCON Angels Aliens and Prophecy is astonishing I can hardly put it down Best selling Author of The Tujunga Canyon Contacts and renowned Earth Mysteries Investigator Ann Druffel One of the better books I have read of late as it draws upon the author s wealth of knowledge and ability to tie all the elements together aliens religious visions alien abductees time travel parallel universes and prophecy This special book brings up many fascinating questions but provides many tantalizing answers to the mysteries in our world that most books in this genre fail to do Posted on Amazon Books Awesome reading Thank You Dori Florida About Angels Aliens and Prophecy Betsey Lewis intuitive earth mysteries investigator and host of Rainbow Visions Radio Show since 2009 explores the mysterious connection between angels and aliens since recorded history and the startling prophecies given by these beings in her new book Angels Aliens and Prophecy Is it possible ancient aliens and time travelers have changed time lines and events Absolutely says Lewis who investigated these enigmatic subjects for the past forty years In 1983 Lewis uncovered surprising information about her UFO encounters from the hypnosis session conducted by renowned UFO investigator Ann Druffel included in the book A secret was given to Lewis as a child but erased from her memory until recently She reveals the secret her startling predictions for 2012 and beyond and the connection between angels and aliens Guatemala, the Question of Genocide Elizabeth A. Oglesby, Diane M. Nelson, 2018-12-07 In Guatemala it was called the trial of the century the 2013 prosecution of former de facto head of state 1982 1983 General Jos Efra n R os Montt and his intelligence chief General Jos Mauricio Rodr guez S nchez on charges of genocide and crimes against humanity against the Maya Ixil people R os Montt s seventeen month reign was one of the bloodiest periods in Guatemala s history with scorched earth massacres the destruction of hundreds of Maya communities and militarized resettlement of Mayas into model villages R os Montt was convicted on all charges Ten days later a higher court vacated the verdict on dubious procedural grounds Nevertheless Guatemala s genocide trial held in the domestic courts in the country where the crimes were committed was precedent setting In this volume Guatemalan and international scholars rigorously explore the complexities of the Guatemala experience and reflect upon the case s implications for understanding and prosecuting the category of genocide more broadly Topics include the nexus of racism

and counterinsurgency in explaining Guatemala's genocide the politics of Maya collective memory the intersections of gender sexuality and ethnicity in genocide the decades long interconnections of national and transnational justice processes that brought the case to trial and the limits and contributions of tribunal justice This book was originally published as a special issue of the Journal of Genocide Research
