

IONS IN SPACEFORCE CAPTAINS

species was rising from its mechanical womb. As they were a new-born Central Core renamed them into Makkinist. In time, the entire system became a center for all machines and, because there were legions of them, constantly needed more raw materials than they possessed. Their home planets from exploitation and all planets became barren shells. In order to continue to improve technological construction for their mechanical needs, they also invented new ways of recycling old wreckages. Exploring new and fighting the Ord Dominion and participating in the alliance they have at the UF.

Accelerate (EMD)

The natural environment was changing and over time, only winter and summer remained as its seasons. These enormous changes caused huge migrations. Some parts of the Earth were struck with severe overpopulation. The constantly changing mixture of different nationalities caused them to form. Since politicians and state governments were unable to act, most all military forces decided to demolish their power and establish a new government. They devised a unified military alliance called Earth Military International organization set new goals: the whole economy should be directed towards the improvement of military industry; that new rulers should be chosen by the EMD.

History is the bloodiest story ever written. They were born and bred in the era of constant war. When they were defending their home system Nebal against a great number of hostile species, the Ord transformed themselves into a merciless and bloodthirsty clan whose only reality was one colored in war. At the time, they didn't have any command so they were acting on their own. Somewhere, during the Age of Exploration, a warlord, Darg, decided to lead a community and not like a frantic band of mercenaries. He wanted to establish a military reign, a new order where they all ruled the bravest and the most powerful. They would go through a variety of trainings and become a powerful species whose individuals' strength would be their strength. Nevertheless, the Dominion was not only looking for new stellar systems as well as to find new
