Walt Disney's Garage of Dreams Arthur C Buddy Adler, Jim Korkis, 2024-10-04 The true story of how an ugly garage near Hollywood became the unlikely catalyst for the Disney empire *Walt Disney's Missouri* Brian Burnes, Dan Viets, Robert W. Butler, 2002 The range of Walt Disney s accomplishments is remarkable He is considered the most successful filmmaker in history He won 32 Academy Awards far more than those of any other filmmaker He revolutionized the amusement park and resort industries and his theme parks have been praised as among the most outstanding urban designs in the United States As Ward Kimball one of Walt Disney s most prominent animators once said At the bottom line Walt was a down to earth farmer s son who just happened to be a genius Walt Disney spent his formative years in Missouri Some of the direct influences of these years on his career are documented in this book Snow White and the Seven Dwarfs the first feature length animated film to be produced was inspired by a black and white live action silent film version of Snow White that he viewed as a teen ager in Kansas City A theatrical production of Peter Pan that he saw as a child in Marceline Mo led to his own animated version of the story Born in Chicago in December 1901 he moved with his family to a farm near Marceline where he lived from ages 4 to 9 To tell the truth Walt Disney once wrote more things of importance happened to me in Marceline than have happened since or are likely to in the future The town of Marceline was the inspiration for many features of future Disney theme parks and the pastoral setting he lived in there is also reflected in many of his films Except for a couple of years spent in Chicago and France Disney lived in Kansas City from 1911 to 1923 During his years in Kansas City he learned the discipline that would enable him to persevere and prevail through the many hardships he experienced as a struggling filmmaker It was in Kansas City that he trained to become a commercial artist and an animator and Kansas City was the location of his first film production studio Laugh O gram Films Walt Disney s Missouri not only tells the story of the young Disney growing up but it also paints a picture of the Kansas City he knew With the bankruptcy of Laugh O gram Films Disney moved to California drawing with him many of his Kansas City colleagues who would eventually win fame in animation themselves This richly illustrated book describes Disney s Missouri years and chronicles his many connections and returns to the state until his death in 1966 The book also details two little know projects in Missouri that Disney seriously considered in his later years theme parks in his hometown Marceline and in St Louis As his daughter Diane Disney Miller says in the foreword to the book Walt Disney was truly a Missourian **Don't let college hamper your education , The Art and Craft of Feature Writing** William E.
