

1. Describe Herot.
  - Herot is the largest and most beautiful hall ever made. Everyone in the land enters Herot and is welcomed.
2. Describe Grendel's lair. How does it compare to Herot?
  - Grendel's lair is the darkest cave in a swampy area – "Hell on earth".
  - Opposite of the beautiful and great Herot.
3. What is the significance of Grendel being descended from Cain?
  - Grendel descends from Cain. Cain was the first murderer in Christianity. Cain killed his brother Abel and was banished by God. Grendel's parents were descendants of Cain. This shows how Grendel is from a line of monsters and evil.
4. Why does Grendel attack Herot?
  - Grendel attacks because he is jealous and not welcome in Herot. He is powerful and a sly creature; he has no respect for life. Grendel hunts the people in Herot when they sleep.
5. What had Herot symbolized before the coming of Grendel? After?
  - Before: peace, unity, prosperity
  - After: abandonment, sadness
6. Why is Hrothgar's lieutenant concerned about the arrival of his Beowulf and his men?
  - Hrothgar's lieutenant is concerned about the arrival of Beowulf and his men because they arrived on the coast. Herot is weak (after Grendel) and they are looking out for enemies.
7. Why does Unferth bring up Beowulf's swimming match with Brecca? How does Beowulf respond?
  - Unferth questions Beowulf's mighty feats. He doubts Beowulf's stories. Beowulf responds by pointing out there are no brave tales told about Unferth and accuses him of murdering his own brothers.
8. Why does Beowulf wait, allowing Grendel to kill one of the Geats, before he attacks Grendel?
