with ready to use strategies that support inspire and elevate both mentors and beginning teachers alike Cases on Performance Improvement Innovation Van Tiem, Darlene M., Burns, Nancy Crain, 2020-06-26 Companies in today's market are continually looking for techniques that will enhance and improve their overall performance. The rise of data analytics in recent years has changed the way managers are viewing performance methods within an organization. Innovative strategies in developing organizational execution are becoming more accessible; however, there remains a lack of research on performance improvement methods through scientific analysis. Cases on Performance Improvement Innovation is a collection of innovative research that illustrates many applications of performance improvement based on analysis, selection of strategy, monitoring and evaluating results to accomplish organizational change through people, processes, and organizations. While highlighting topics including intervention, analysis, organizational development, and human performance technology, this book is ideally designed for students, researchers, executives, managers, practitioners, educators, and academicians seeking current research on contemporary innovations in organizational performance. *Leader to Leader (LTL), Volume 78, Fall 2015* Bruce Rosenstein, 2015-10-05 Get insightful articles on leadership, management, and strategy written by today's leaders with this award-winning journal.
